STE 4: Insert Stop-painting.com's Degreaser into second chemical slot.

Step 5: Insert Scraper into tool slot 1.

Step 6: Insert Broom into tool slot 2.

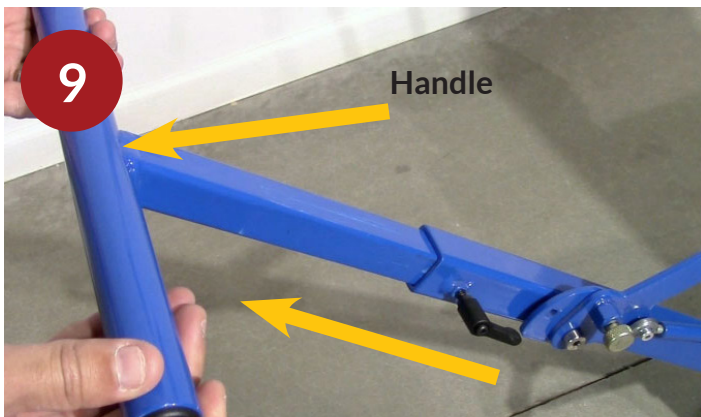

# Kaizen Cart Usage Instructions

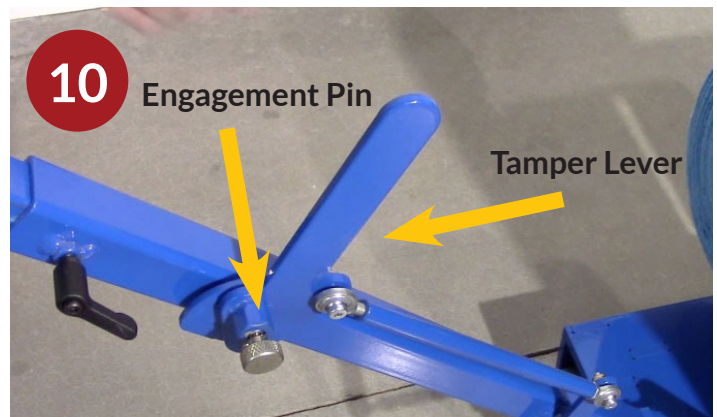

Step 7: Place weights/extra tape/tools in front organizer tray.

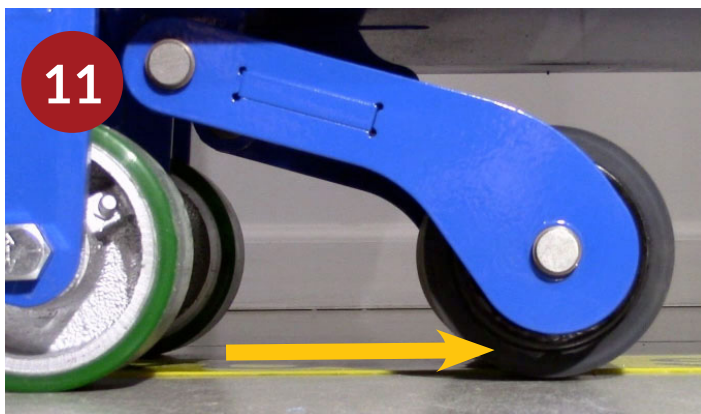

Step 8: Loosen locking screw to adjust handle height.

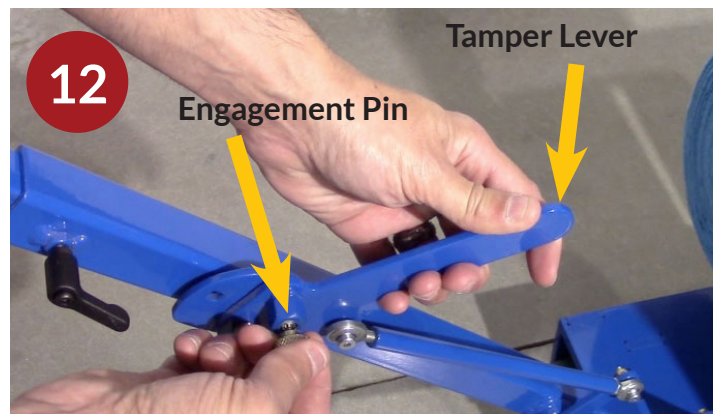

Step 9: Pull handle towards you until handle is waist high.

Step 10: Lean cart back and pull engagement pin. Handle will come toward you until pin locks in upper hole.

Step 11. Once tamper roller is on floor, push Kaizen Cart back and forth over the area several times to ensure proper adhesion.

Step 12: Lean cart back and pull the pin. Push lever forward until it locks in bottom hole. This disengages roller.
