Unpacking

When unpacking the Wesco Product, check carefully for shipping damage and missing parts. If damage has occurred or any parts are missing, file a claim with the delivering carrier within 24 hours and notify the dealer from whom the unit was purchased.

Warranty Repairs

If the unit does not work properly, contact your dealer or the factory (215-699-7031) for units less than 90 days old.

Non-Warranty Service

If units are older than 90 days, repairs can be made easily on site with factory supplied parts.

NOTE: Do not send units to the factory for service without first obtaining a "Return Merchandise Authorization" (RMA) number from the customer service department. We will not be responsible for merchandise returned without proper authorization.

Operation

Control Handle

The control handle of the truck and can be adjusted to three different positions:

Raise -handle down

Drive -handle in center position

Lower -handle up, the lever moves back to the drive position when released.

Entering Pallet

As shown below, the 4-way pallet truck can enter from any side of a pallet and then proceed to transport the load.
