

KITCHEN & FOOD SERVICE SOLUTIONS: HANDHELD FOAM & SPRAY

The **ProFoam** and **ProSpray** hose-end dispensers have a robust design with practical functionality. They offer an affordable, durable, and user-friendly solution for spraying and foaming various common cleaning chemicals across multiple applications. The ProFoam and ProSpray feature a durable 48-oz bottle, ensuring extended use and easy refills through its wide-mouth opening. Quick-connect fittings allow for swift detachment and hassle-free rinsing. ProFoam mixes air, chemical, and water optimally, creating perfect foam consistency. In contrast, ProSpray's specialized spray tip delivers an effective fan spray pattern. Both dispensers include DEMA's precision metering tips, enabling the user to adjust the dilution rate to meet specific requirements.

Features & Benefits

- ◆ 48 oz bottle with wide opening for easy refills
- ◆ Metering tips for precise dilution of chemicals
- ◆ Ergonomic grip to reduce fatigue during use
- ◆ Wide bottle base to prevent tipping
- ◆ Water supply immediately turns off when user lets go of the handle
- ◆ Metric and imperial measurements on the bottle
- ◆ Stainless steel male quick connect provides added durability for extended product life

**ProFoam
Model 291**

**ProSpray
Model 292**

**Stainless Steel male quick connect
comes standard on all units**

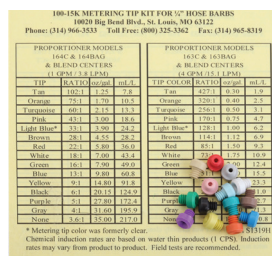

- Kitchen and Food Service
- Agriculture and Livestock
