

4 Cup Drink Carrier

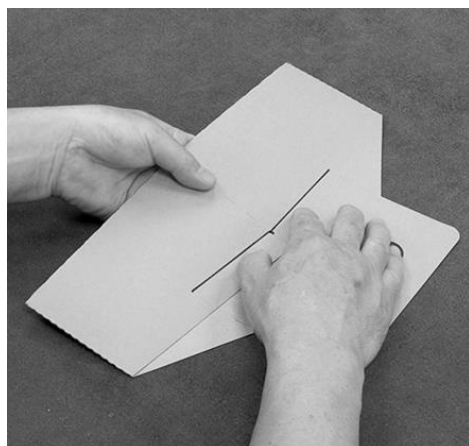

Assembly Instructions

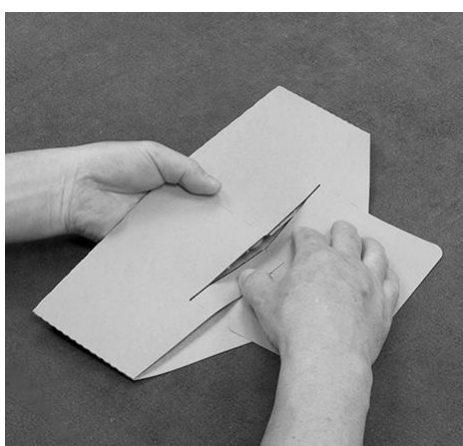

STEP 1: Lay **Side A** of drink carrier on flat sturdy surface.

STEP 2: Place thumb firmly along perforations. Place other hand into bottom of drink carrier and carefully push up to tear along perforations as shown.

STEP 3: Turn drink carrier over to **Side B**.

STEP 4: Repeat Step 2.

STEP 5: Push in sides of drink carrier to open as shown.

STEP 6: Sit drink carrier on flat surface. Your drink carrier is ready for use.
