

Order Ahead with Delivery Lockers

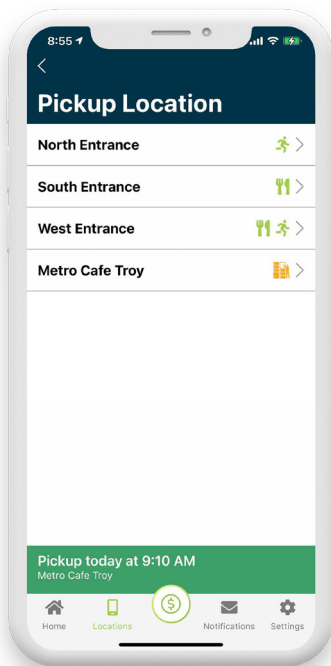

Tech enabled, people-powered onsite food pickup

SELECTIVEND
YOUR VENDING SOLUTION

Introducing Delivery Lockers powered by Selectivend and 365 Retail Markets

With our Dining and OrderAhead Services, you can provide streamlined contactless food delivery and pick up stations with Delivery Lockers.

Café food pickup is now simplified! Our innovative food locker technology provides an easy and secure option to pick up orders, at the customers preferred time.

- Compatible with Connect & Pay app or connectandpay.com
- Eliminate waiting in lines
- Reduce face-to-face interaction
- Easy to use, secure and tamper proof
- Create pick-up efficiencies—reduces order mix-up/confusion
- Compact designs allow for maximum sales volume

It's the next generation of onsite delivery! Get Delivery Lockers today!

8040 University Blvd. Clive, IA 50325 • 1-866-803-6640 • www.selectivend.com

Here's how it works!

It's simple: Order and Pickup

Download the Connect & Pay app to your mobile device

Create & Fund Account in the Connect & Pay app

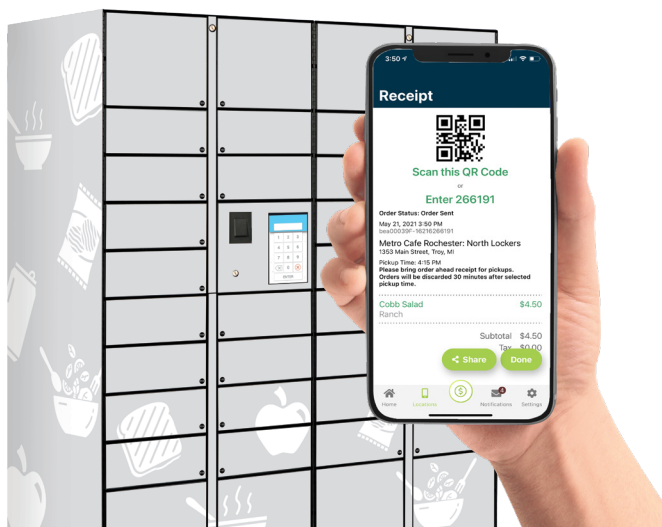

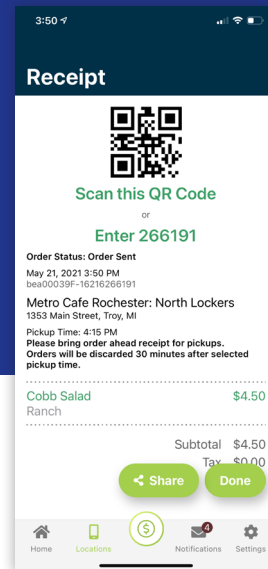

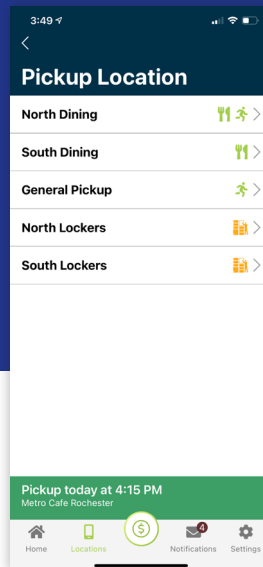

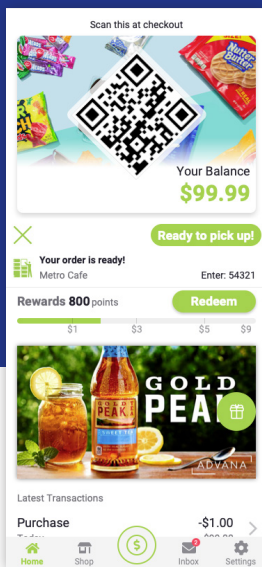

Link to OrderAhead location and tap the locker

Checkout with your order ahead as normal

View locker receipt QR and 6 digit code used for order pickup

Scale with your locations!

Add up to six locker bays to meet your customers needs.

Model Compatibility:

Model 3641 control locker
(18 door) (standalone)

Model 3642 satellite locker
(20 door)
