

# SmartWall Plus™

## 3-Comp. Sink Station

DOMINO'S PRODUCT CODE: 411950

Designed for use over the 3-Compartment Sink, these epoxy coated wall units mount directly to the wall - use one on each side of your Sprayer Hose for convenient, low-cost effective storage of your smallware items. Grid locks in place and all accessories attach to grid. Grid and accessories are easily removed for cleaning without the use of any tools. One set includes a 3' W x 2-1/2' H wall grid, one Large 3' Basket Shelf, one Small Basket, one Bottle Holder, one Lid Holder, and four Single Prongs for adjustable storage. Simple-to-follow mounting instructions included.

- Metroseal 3 corrosion-resistant finish with Microban protects the epoxy coating from bacteria, mold, mildew and fungi that causes odors, stains, and product degradation. The storage system remains cleaner between cleanings.
- NSF listed
- Holds all items in a Domino's store.
- Bottle holders are designed to allow bottles to air dry.
- Flexible for customizing to your needs.
- Will look good and work well for years to come.
