**Para obtener los mejores resultados, utilice SUREBONDER® No. 3 o Arrow® JT21™ grapas.

WARNING:
WEAR SAFETY GLASSES.
ADVERTENCIA:
USE GAFAS DE SEGURIDAD.

LOADING INSTRUCTIONS: **F1.** Squeeze the track release and pull out. **F2.** Determine length of staple to be used. Leg length should be 2 ½ times longer than the thickness of the material being stapled. Drop staples into staple chamber with points facing up. Push track closed.

OPERATING INSTRUCTIONS: Place staple gun on area to be stapled. With downward pressure on staple gun, squeeze handle until staple is set. Staple viewer indicates amount of staples left in chamber. To lock handle down for storage, REMOVE STAPLES, and in one motion pull handle out, press down and pull out again until handle locks into place. Squeeze handle to release.

SAFETY INSTRUCTIONS: Always wear safety glasses. Keep out of reach of children. Watch out for potential hazards such as electrical wires. Never point staple gun or shoot staples at people. Read all instructions before operating.

****INSTRUCCIONES DE CARGA:** **F1.** Apriete la engrapadora para soltar la palanca.

F2. Palanca de oscilacion para adrir la camara de grapas. **F3.** Carque la grapas con los puntos hacia abajo. **F4.** Para cambiar de grapado a fijacion, levante y gire la placa.

INSTRUCCIONES DE OPERACIÓN: Coloque los elementos que se van a engrapar entre la garganta y apriete el mango hasta que se engrapen o la uña está colocada, repita según sea necesario.

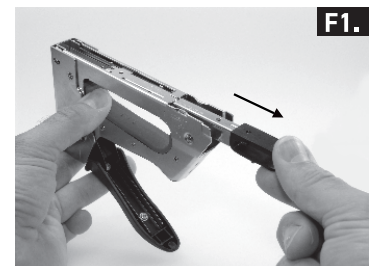

INSTRUCCIONS DE SEGURIDAD: Utilice siempre gafas de seguridad. Mantener fuera del alcance de los niños. Tenga cuidado con los peligros potenciales como cables eléctricos. Nunca apunte con grapadora ni dispare a personas. Lea todas las instrucciones antes de operar.

IMPORTANT: If you are experiencing operating difficulties, do not return to place of purchase, call toll free 1-800-860-3838
