

# NESPRESSO MOMENTO COFFEE & MILK INSTRUCTIONS

## COFFEE & MILK RECIPES

**!** BEFORE BREWING, ENSURE SLOT IS EMPTY —  
SELECT CAPSULE AND MANUALLY FLATTEN EDGES

- 1** Place **only one capsule per recipe** gently into slot
  - Capsule will not fall fully into slot — **DO NOT push capsule down (machine may jam if you do)**
  - **NOTE:** machine will pull capsule in when brewing
- 2** Determine desired coffee size — recommended recipes are highlighted on screen
- 3** Place appropriate cup under brew head and touch screen to brew
  - Move the cup support to the side if a large cup is used
