Specifications

Ice Bins

Keep ice right where you need it, when you need it, with these ice bins. They are perfect for use at your bar, pub, club, or restaurant. Each ice bin features galvanized steel legs and plastic bullet feet for ultimate stability. To keep your bar protected from potential water damage, this ice bin is built with a 3" backsplash. Its durable stainless steel design and poly foam insulation help keep this ice bin's contents cool, saving you money by wasting less ice. As an added bonus, it includes a plastic bottle holder to keep your drinks nice and cold throughout your busy shifts.

600IB1848	48" x 18 1/8" x 33"	46" x 15 3/16" x 12"	Stainless Steel	161 lb.

Ice Bins with 7 & 10 Circuit Post-Mix Cold Plate

Whether you're serving up a delicious cocktail or a refreshing soda, ensure you have a steady supply of cold beverages at your bar thanks to these ice bins with a 7 or 10 circuit cold plate! These convenient units not only hold plenty of ice but also boast a post-mix cold plate with stainless steel beverage-grade tubing circuits that allow you to run up to 7 or 10 soda lines through the bin to chill them before serving. The interior bowl holds a generous amount of ice, and a plastic bottle holder is included so you can simultaneously chill your most popular liquors. These ice bins feature a 3" drain as well as poly foam insulation to help keep its contents cooler longer. It stands on four, galvanized legs with plastic bullet feet and two cross braces for stability. Its backsplash helps to keep your walls dry. Thanks to this unit's versatility, it's easy to store and chill everything you need to create the perfect drink at your busy bar, nightclub, or restaurant.

Plastic Bottle Holder

This Regency plastic bottle holder for ice bins is what every bar, cafe, or restaurant needs! Designed to fit inside your Regency ice bin, this bottle holder will replace your existing holder that comes standard, or you can add this onto your sink as an extra convenience! This holder comes with two divider pieces to create three separate compartments for bottle storage. By setting this bottle holder in ice bins you'll be able to keep bottles of mixed beverages, mixers, or juices cool during your busy service hours. This added convenience allows your bartenders or employees to keep up with the fast-paced environment of your busy venue. Reduce the number of trips you need to make to the refrigerator and spend more time mixing drinks and taking orders!

Item #	Overall Dimensions L x W	Inner Dimensions L x W	Weight

600IBDIV12	14 1/2" x 12"	N/A	3 lb.

Sliding Lids

Enhance safety and sanitation while improving the quality of your ice by adding this Regency sliding lid to your underbar ice bin! Many municipalities require that underbar ice bins have a cover, and this Regency lid will help you stay in compliance. Made of 18 gauge, 304 stainless steel, this lid offers exceptional durability and corrosion resistance as well as better cold retention. Thanks to its front to back sliding design, this lid is easy to open and close, so it won't slow you down while you're making drinks in your busy bar or restaurant.
