

## NEMCO 4-SHELF GLASS BAKERY MERCHANDISER MODEL 69700A

### OPERATING INSTRUCTIONS

#### INTRODUCTION

1. Read these Operating Instructions thoroughly before using this Merchandiser. Improper use can result in equipment or property damage, or personal injury and may void warranty.
2. The Nemco 4-Shelf Glass Bakery Merchandiser is heavy duty and is designed for commercial use.

#### PREPARATION

1. Remove Bakery Merchandiser from box.
2. Place on a flat surface.
3. Clean entire unit including the drawers prior to use. NOTE: See cleaning instructions below.

#### CLEANING

**NOTE:** Proper maintenance plays an important part in the life span and functioning of the unit. Failure to follow cleaning instructions may **VOID THE WARRANTY**.

1. Thoroughly read all the cleaning instructions *including* all important information listed below in the *CLEANING PRECAUTIONS*.
2. Hand wash Cookie Case with a mild soap and lukewarm water using a soft, grit-free cloth to loosen any debris. **NOTE: DO NOT use any of the products listed in the *CLEANING PRECAUTIONS* to clean the Bakery Merchandiser.**
3. Rinse with a soft, grit-free cloth to remove cleaning residue.
4. Dry with a soft, grit-free cloth to prevent any water spotting.

#### CLEANING PRECAUTIONS

**WARNING:** Failure to follow the *CLEANING PRECAUTIONS* listed below **WILL VOID THE WARRANTY**.

- **NEVER** use *Heavy Duty Scouring Pads Green*.
- **NEVER** use *Degreasers*.
- **NEVER** use abrasive or highly alkaline cleaners.
- **NEVER** use cleaners containing strong acids, alkaline or ammonia based cleaners, or solvents like acetone, bleach, thinners, or carbon tetrachloride. The use of incompatible cleaning materials will cause surface damage.
- **NEVER** scrub with brushes, paper towels, steel wool, Scotch-Bite pads, scouring pads, and / or any abrasive materials.
- **NEVER** use squeegees, razorblades or other sharp instruments to remove deposits or spots.

**BRUSHES**

**PAPER TOWELS**

**RAZOR BLADE OR  
ANY SHARP OBJECT**

**SQUEEGEE**

**STEEL WOOL, SCOURING  
PAD, OR ANY ABRASIVE MATERIAL**

**HARSH CHEMICALS**

## BACK OF MERCHANDISER

### INSTALLATION OF WIRE RACKS.

1. Slide bottom (largest) wire rack inwards at an upward angle until completely in case.
2. Allow the front of the rack to pivot downwards until it locks into position. (see pic 2B)

3. Install the middle (medium size) rack on the 3<sup>rd</sup> slot above bottom rack.
4. Install the top (smallest) rack on the 3<sup>rd</sup> slot above the middle rack.
5. Add drawers.
