

S'MORES MAKER JR. KIT

S'mores....Anytime, Anywhere!

Enjoy homemade s'mores anytime, anywhere or use multiple units to create a fun s'mores bar at your next party!

Features & Benefits (S'mores Maker Jr):

- Roasting screen provides even marshmallow toasting and prevents direct access to the flame
- Integrated Heat Management System elevates the can to keep surfaces cool and protected
- Enjoy making s'mores indoors or outside with this compact portable S'mores Jr. Includes two (2) roasting forks and one (1) can of Sterno S'mores Heat™
- Only compatible with Sterno S'mores Heat™ (Additional cans sold separately - see below for details)
- Individual S'mores Maker Jr Kit come in a new shippable box

Features & Benefits (S'mores Heat):

- Specifically designed for use with Sterno S'mores Maker and Sterno S'mores Maker Jr Heat Management System
- S'mores Heat is UL Validated for safe and clean burning, indoors and outdoors, and is made from Biobased Fuels
- Includes Smart Can Heat Indicator - alerts user when the can is cool enough to touch
- Not just for s'mores...also use for Fondues, Portable Stoves and Beverage Urns
- Each can burns for 45 minutes
