

36356

120-volt bottom-mount fabricator hot well with standard drain, Vollrath-style well and 3-foot remote control lead

SPECIFICATIONS

UPC	029419913190
(W) Width (IN)	14.1
(D) Depth (IN)	22.06
Amps	8.3
Voltage	208-240
Watts	1000

CERTIFICATIONS

Designed to maintain ideal serving temperatures and food safety, the bottom-mount hot well by Vollrath makes sure your food tastes just as good as intended. Made of 20-gauge 18-8 grade stainless steel and insulated with high-density glass fiber, this hot well is equally durable and high-performing, and the 6 1/8-inch depth fits full- or fractional-size pans up to 6 inches deep. The remote control panel offers convenient operation, and thermostatic controls ensure accurate heating. This bottom-mount hot well requires hardwiring and comes with 6-foot wire lead for remote control module installation. While this hot well can operate wet or dry, moist operation is recommended for even heating, superior quality and NSF certification.

FEATURES & BENEFITS

- Made in the USA
- 20-gauge 18-8 grade stainless steel is durable and long-lasting
- High-density glass fiber insulation on the sides, ends and below the element traps heat
- Stainless steel remote control panel offers convenient, easy operation
- Reliable thermostatic controls ensure accurate heating
- Standard drain and drain screen included
- 1-year parts and labor limited warranty
- NSF-certified
- 6 1/8-inch depth accommodates full- and fractional-size pans up to 6 inches deep
- Mounting clips adjust to varying countertop thicknesses, from stainless steel to laminate surfaces
- Please note this is a made-to-order item. These items require additional time for fulfillment. Made-to-order items cannot be changed, canceled or returned and may be subject to a minimum-order quantity. Contact your Vollrath sales representative for details.
