LETTER OF KOSHER CERTIFICATION

January 1, 2024

TO WHOM IT MAY CONCERN,

This is to certify that the following products, manufactured by PB LEINER at its plant in Acorizal, Brazil, are made under my supervision in full accordance with Jewish Dietary Laws:

Bovine Hide – Edible Gelatin
Bovine Hide – Pharmaceutical Gelatin
GelwoRx Dsolve B

These products are manufactured exclusively from cattle bones or hides, chemically purged of all extraneous material. The raw material is rendered pure ossein or collagen. According to Jewish Law, bones and hides in this state are not included in any of the categories of forbidden foods. A detailed explanation for the approval of the aforementioned products, including the chief sources in Jewish Law relating to this subject, is available upon request.

The PB LEINER products manufactured at the above location are Kosher and Pareve for year round use including Passover. I hereby endorse them as Kosher under the “Shin-K-P” symbol. NOTE: When received directly from PB LEINER these products are Kosher even when not bearing the “Shin-K” symbol.

This certification is effective through December 31, 2024, and is subject to renewal at that date.

Sincerely Yours,

Rabbi Noah S. Sheinkopf
