

Special Formula!

Specially formulated for *unique* water conditions.

tds rinse

rinse additive & drying agent

NOBLE
CHEMICAL

Net Contents:
1 Gallon, 4/CS

For applications
that have high
total dissolved
solids!

TDS RINSE is a concentrated drying agent formulated specifically to attain spotless, cloudless results in areas where high dissolved solids are a problem.

DIRECTIONS:

Dispense with automatic rinse injector system. Insert blue plastic rinse feed tube to bottom of container. Rinse additive will feed automatically as required. Replace empty containers promptly.
