

COMMERCIAL & PROFESSIONAL

# Meet the **NEW MUSCLE** in Commercial Fryer Cleaning:

# FRYFLEX™

Non-Caustic

Non-Corrosive

Fragrance Free

Reduces Scrubbing

A Baking Soda-Based Boil-Out Cleaner  
**Powered by the Trust of ARM & HAMMER™**

# THE FRYFLEX™ DIFFERENCE

- Trusted ARM & HAMMER™ CPG brand in a chemical-heavy category.
- Delivers on growing demand for non-caustic alternatives with its baking soda-based foundation.
- Easy to train, stock, and standardize.
- Rare combination of validated claims supported by testing.

## A CLEAN OPERATORS CAN COUNT ON:

- **Non-caustic** formula effectively removes carbonized grease, oil buildup, and food debris.\*
- **Fragrance-free** formulation means no unpleasant formula odors.
- Cleans fast and helps **reduce the amount of scrubbing** required.\*
- **Non-corrosive** formula for use with stainless steel fryers, fryer baskets, and oil filters.\*
- **Low-foaming** formula helps reduce boil-over and messy cleanup.
- **Fast-dissolving** format for an efficient boil-out.
- By removing soils effectively, helps **reduce cross-contamination and off-flavors**.\*
- By removing soils effectively, helps **extend the life of your oil**.\*

\*When used as directed

## FROM GREASE TO GLEAM:

Cleaning fryers is tedious and messy, no one wants to do it. FRYFLEX™ surprised me with how effortlessly it cut through the grease.

- Chef Dylan Branch
