

XTENDER PRO

Maximize cargo length and payload

HEAVY DUTY TRUCK* BED EXTENDER

*Can be used on trucks, vans, and SUVs

FOR CONSTRUCTION AND RECREATIONAL APPLICATIONS

Xtender Pro is a universal load hauler that extends your truck bed or overhead roof rack, enabling you to carry longer loads more safely and securely. From lumber and plumbing to kayaks and canoes, this heavy-duty rack is built to handle items with ease.

- Heavy-duty steel construction that is built to last.
- Fits 2" type III receiver hitch mount.
- DOT-approved red and white reflector tape applied.
- 2 Ratchet-style cargo straps and hardware included.
- DOT-approved safety flag included.
- Limited lifetime warranty.
