## Tropics Mixology Frozen Purees

What doesn't go into our frozen Tropics Mixology cocktail mixers matters every bit as much as what does. No artificial colors or flavors, no preservatives, and no HFCS. Just all-natural ingredients sourced from the world's best-growing regions. You can count on Tropics Mixology because it's made with real fruit and its clean label. That's the Tropics difference.

### BENEFITS

- Made with 50% to 60% real fruit –the highest in the category
- Formulated to hold frozen drinks together longer
- Clean label – no artificial flavors, colors, or preservatives
- Sweetened with cane sugar, never HFCS
