M A N G O
MARGARITA MIX

Agalima Brings the Fun in 2025!

While Margarita is still the #1 cocktail in the world, Agalima is here to take it to the next level with the new Agalima Mango Margarita Mix!

- Agalima Mango Margarita Mix now allows you to create the perfect mango margarita all year long and bring tropical vibes to the table
- According to LinkedIn in 2023, mango is a flavor that continues to grow from consumer demand for the tropical and exotic flavor – the rising popularity of mango-flavored food and beverage products is a major driving factor for mango market growth
- The rise of the at-home bartender continues as people are craving a bar cocktail experience at home. Agalima Mango Margarita allows at-home creativity and a twist on your traditional margarita
- The mango market continues to grow due to the growth in the beverage industry according to Future Market Insights
- The Agalima Mango Margarita is an extra special treat featuring the perfect balance of sweet and tart.
- Made with 40% organic juice
