MELAMINE DINNERWARE

Inspired by **classical design and nature**, Stadia **blends clean lines with subtle organic shapes** to delight the eye and add contemporary style to any tabletop. Incorporating **stadium-shaped bowls and coupe plates**, Stadia offers a **refreshing take on traditional design fused with a modern twist** on conventional white dinnerware.

Stadia®

- Stadium-shaped bowls and coupe plates with organic shapes offer plating options for any table setting
- Made from heavy-weight melamine resistant to breaking, staining, chipping and cracking
- Look and feel of china without the replacement cost making Stadia a smart investment
- Refreshing neutrals of luminous white and warm grey-beige emphasize food presentation and coordinates with any tabletop décor
- Safe for temperatures up to 212°F
- Dishwasher safe; NSF Listed
- One-year limited warranty

Note: Melamine Dinnerware is not recommended for microwave

Inspired by **Earth's natural elements**, our new Ridge collection suggests the **look and texture of stone** with the benefits and **durability of melamine**. Modern, minimalist shapes from bouillon bowls to platters offer a **variety of plating options**.

Ridge

- Neutral & natural colors compliment any plate from ethnic-inspired dishes to farm-to-table culinary creations
- Featuring modern, minimalist organic shapes, premium texture and matte finish
- Ideal where breakage is a concern, such as the poolside
- Durable melamine resists staining, chipping and cracking
- Safe for temperatures up to 212°F
- Dishwasher safe
- One-year limited warranty

MEASURE MISERS®

Long lasting acetal Color-Coded Measure Misers ensure employees **deliver the consistency** your customers expect without compromising durability.

Color-Coded Measure Misers

- Portion control spoon made of break-resistant acetal material
- Each color represents a different size for easy recognition and consistency
- Spoon's flat bottom easily spreads sauces or toppings
- 4694 features a deep cup style that allows for easier access inside small food pans
- Long handle measure misers have thumb grip for steady control and a notch for resting on pan rim
- Withstands dry heat up to 270°F
- BPA Free
- 2-year limited warranty
- NSF Listed; dishwasher safe

FOOD SAFETY TOOLS

Minimize the risk of cross-contamination and provide employees with continuous access to clean and sanitary utensils with Sani Station in three easy steps.

Sani Station

- No plumbing or electricity required
- Small footprint
- Available in counter stand and hanging vertical mount models; keeps it close to prep stations
- Pre-portioned cleaner and sanitizer solution packs are NSF D2 approved to be food-safe and ensure proper chemical dilution
- Only approved chemical to effectively control bacteria like e. coli, salmonella, listeria and staph aureus with no water rinse required

SANIS05-100

SANIKIT9-100

SANIKIT5-100

SANIKITHANG-100

3 Easy Steps

Clean
Excess food is scraped off the utensil using the red squeegee.

Sanitize
Center brushes allow for visible residue removal, while simultaneously cleaning and sanitizing the utensil for 60 seconds.

Store
Excess solution is wiped off on the green squeegee if going back into immediate use or placed in drying basket to air dry, no rinsing required.

SERVING SYSTEMS

Offer **active hot and cold food holding on trays** anywhere in your facility with Dinex new Meals On Command II.

Meals On Command II

Optimize Time Management

Save time and labor by running your tray assembly in advance and maintain hot and cold temperatures.

- **Hot and Cold Temperature Control**
Active hot and cold holding on a 120V 20 amp outlet when the cart is powered
- **Hotel Style**
Dishware flexibility: No need of specific wax base, induction base, insulated ware or other cold container to bring the patients' experience to the next level
- **Ideal for meal delivery in acute and long term care**
Some of the key applications could be oncology, pediatrics, maternity, units with patient requiring assistance with feeding, Emergency room requiring extended temperature holding or when nursing staff is in charge of delivering trays

Meals on Command II Key Features

- Active hot and cold temperature holding
- Convection heat on hot side & forced air on cold side
- 20 tray capacity cart
- 120V 1 phase 20 amp
- LCD display with hot and cold temperature information
- 4 insulated doors with colored handles
- 6 casters, 4 swivel, 2 fixed, central breaking system
- 2 vertical door handles with finger shaped design
- Full Perimeter bumper
- Insulated center wall with removable air dams
- Removable tray slides
- Top surface for accessories

AIR CURTAIN REFRIGERATOR

Two Hour Hold Time and Horizontal Air Flow are the Industry's Best

Maintains proper chilled food temperatures up to two hours – even with **open** door.

Air Curtain Refrigerator

- Unit will maintain the temperature of the food at 41°F or less for up to 2 hours* with the door open
- 15 slides, 3" slide spacing with non-tip feature
- Horizontal air screen maintains cabinet interior temperature
- Ideal for tray assembly lines, the versatile air curtain allows the operator easy, reach-in access to prepared and portioned foods while the refrigerator door remains open
- DOE 2017 Compliant
- Available with stainless steel door, right or left hinged door that is field reversible
- Also designed for roomservice operation that requires 24/7 cold storage.

Improved performance
with enhanced insulation
and refrigeration system.

DXIRAC15DOERS

Horizontal Air Screen

Maintains an internal air temperature below 40°F

Control Panel

Easy temperature reading and programming

Durability

Bumpers protecting the unit and removable panels for an easy access to the condensing unit
