

LUXUSTM Dispensers

Hot & Cold Beverages in volume whenever and wherever you want them—Fast

Luxus Thermal Dispensers provide you with the ultimate in a hot and cold beverage dispensing system. Available in 1.5 and 3.0 gallon models, Luxus dispensers are totally portable and do not require electrical power. Once filled and capped, these dispensers can be taken anywhere to provide self serve or staff operated beverage service. Luxus thermal dispensers work best in conjunction with Fetco coffee brewers. Simply brew directly into the Luxus dispenser, cap it, and place it anywhere...indoors, outdoors, on different floors, or placed throughout a restaurant, hotel or office for hours of hot coffee service. You can use Luxus dispensers to dispense many hot, as well as cold beverages. Ask for Fetco quality and dependability by name "Luxus."
