

ACACIA WOOD RISERS

Our riser collections can play a supporting role in any buffet line, catering event, or tablescape with ease and versatility. Dual tone of materials offer a neutral but modern presentation.

- Available in three styles: rectangular, square and round
- Black powder coated steel and acacia wood
- Set of three risers nest together for easy storage

NON-SLIP & NESTING RISERS

- Multi-purpose design—can be used as a base for a bowl or to elevate your dishes
- Set of three or four graduated-size risers nest together for easy storage

BARCLAY™ RISERS

- Set of 3 risers that nest together for easy storage

CASCADE™ RISERS

- Versatile and attractive buffet solution
- Set of 3 risers that can be nested together or fanned apart
