

Rivulet

Inspired by the quiet elegance of nature's smallest streams, Rivulet is a glassware collection designed to bring subtle sophistication and tactile charm to any bar or dining experience. Featuring a delicate texture reminiscent of water droplets, each glass offers visual intrigue. With timeless silhouettes and a modern edge, Rivulet elevates presentation while remaining durable and versatile for everyday use. This collection is a thoughtful addition for upscale establishments looking to expand their glassware offerings with pieces that blend beauty, function, and a touch of nature's serenity.
