

# CALL OFF THE SEARCH

## Half-Size Can Rack

### Eliminate searching through piles of unorganized stock and crowded shelves.

Now you can store a large amount of cans in a small amount of space. New Age Can Racks provide easy can access and selection, especially when loaded from the rear, facilitating "first-in, first-out" inventory control.

### Dual-purpose can storage helps to efficiently organize your workspace

These racks are available in two heights, 41" (half-size) and 25" (counter-height), providing additional workspace as well as can storage.

### Four Top Options

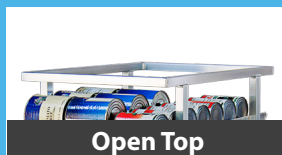

Outfit your Half-Size and Counter-Height Can Rack with Outfit your Half-Size and Counter-Height Can Rack with the top that suits your needs. Choose from a polypropylene cutting board surface, a smooth stainless steel or aluminum surface, or leave it open. The choice is completely yours!

### ✓ Extended Angle Guides.

Provide easy, one-handed access. Cans are extended outward for easy removal.

### ✓ Optional Solid Shelf Trays.

Aluminum trays allow storage for smaller #2½ and #303 cans.

### ✓ Extended Base.

Extended base prevents tipping and maximizes rack stability. Units are equipped with four plate type casters, two with brakes.
