WHO WE ARE

ABOUT THE BRAND

AP&G is a leading manufacturer of Intelligent Pest Management solutions. We utilize a science-based approach to create high-quality products for rodent, insect & mosquito management.

We leave no stone unturned when it comes to developing our product line. Our glue is our bond, backed by over 70 years of know-how. Our products are field-tested under the harshest conditions to ensure maximum reliability for any level of pest control expertise.

We believe that monitoring is a cornerstone of Intelligent Pest Management and all our products reflect this belief.

Our products allow you to monitor rodents, insects and mosquitoes with confidence.

Our roots go back to the early 1950s starting with the production of specialty adhesives. We introduced the Catchmaster® brand in 1977 to deliver Intelligent Pest Management solutions and we are proud of our continuing support of Pest Management Professionals worldwide.

CATCHMASTER GLUE: PEST STOPPING POWER

With 70+ years of glue expertise, our solutions are crafted from unique and pest-specific formulas, ensuring effectiveness that only decades of experience can deliver. As manufacturers, we ensure our glue-based solutions get the job done safely and efficiently, making our products the go-to choice for professionals.

PRIME MANUFACTURERS AND PRIVATE LABEL

As the #1 manufacturer of glue products, we stand behind the quality of every product we produce. Your brand can trust our quality, designed and innovated right here in the USA. We bring expertise to every private label, ensuring that your success is our priority.

PERSONALIZED AND RELATIONSHIP-DRIVEN SERVICE

Our commitment to individualized customer care drives us. Our expert sales team is exclusively dedicated to understanding your needs and providing tailored solutions. We don't rest until the job is done, building long-lasting relationships that ensure your success is always our top priority.

Proud to be family owned

FAMILY OWNED

Proudly family-owned and operated, we innovate and design our products in the USA. Every product carries the tradition of quality and trust that has defined Catchmaster for generations.

INTELLIGENT PEST MANAGEMENT EXPERTISE

Our expertise in Intelligent Pest Management allows us to provide proactive and preventive solutions focused on proactive monitoring and effective pest population management.

STAY CONNECTED

Connect with our sales representatives for personalized support and expert advice on all of our solutions. Follow us online and visit our website for professional tips, FAQs, industry resources, and more.

CATCHMASTER 

RODENT

NEW!

SHADOW BOX

DISCREET DESIGN. MAXIMUM RESULTS.

RODENTS DON'T STAND A CHANCE!

A stealthy, budget-conscious solution engineered for maximum catch rates in sensitive environments. Designed with input from pest control experts and extensively tested in the field, it delivers professional performance without the premium price.

#616

Traps per case: 50
Size: 20.35" × 18.85" × 0.65"

TUNNEL EFFECT:

Leverages rodent instincts to enter naturally, increasing catch rate

DISCREET DESIGN:

All-black finish blends seamlessly into sensitive environments

- ✓ PESTICIDE FREE, NO RODENTICIDES
- ✓ SNAP-TRAP ANCHOR PERFORATIONS
- ✓ PHEROMONE RETENTION
- ✓ DISPOSABLE

PAIRS PERFECTLY WITH

602PE

605P

607P

72TC3

PRIVATE LABEL AVAILABLE: CAN BE BRANDED WITH YOUR LOGO. *MINIMUM ORDER QUANTITY REQUIRED.

72MB SERIES

MOUSE & INSECT GLUE BOARD

The 72MB Glue Board Series is available in different strengths to fit your needs. Our 72MB Series traps will not harden, even after the release paper is removed, for at least one full year when used under normal conditions.*

PLACE TRAP
HERE

- Huge catching surface - 30 sq. in.
- Folds into tunnel shape for use in tight or dusty areas.
- The best adhesive formula available.
- IPM chart printed on the back.

* Extreme conditions include exposing traps to extended periods of temperatures that exceed 120°F, or exposure to excessively dusty areas. Under such conditions, the trap will work but may not maintain its effectiveness for long periods.

72TB TASTY BANANA MOUSE GLUE BOARD

Our **Banana Mouse Glue Boards** captures mice and insects. The boards feature our trusted adhesive formula and can be torn in half to fit a variety of needs.

72TB
72TBUS

Traps per case: 72
Size: 8" × 5.25"

60RB RAT GLUE BOARDS

Heavy adhesive coverage designed to capture rats. Perforated folds on both sides can be torn off for use against the wall to prevent drag-offs.

60RB

Traps per case: 60
Size: 12.13" × 6"

72TC SERIES

MOUSE GLUE BOARD

72TC
72TCUS

Traps per case: 72
Size: 10.125" x 4.04"

Can be used with **Catchmaster Multi-Catch™ 612MC (pg. 14)**, and many other competitive multiple-catch units or as a stand-alone glue board.

72TC3

MOUSE & INSECT GLUE BOARD

The 72TC3 was designed as a replacement glue board for Catchmaster® Multi-Catch and Dual Action Twin Catch traps (612MC and 611). The glue board can be used as is or torn at various perforations and folded to fit numerous locations and traps.

72TC3

Traps per case: 432 Traps per Case
72 Sheets per Case
6 Traps per Sheet
Size: 10" x 4"

150MB

MOUSE & INSECT GLUE BOARD

Smaller and more economical than the 72MB Series. Perforated to fold or tear for placement next to walls and folds to form a tunnel.

150MB

Traps per case: 150
Size: 7" x 3.5"

934 CATCH ZONE™

PEST BOUNDARY ROLL

Each roll measures 60' x 12" and is easily cut, making Catch Zone™ the optimal tool for protecting large, sensitive areas. Perfect for clean-outs and hot spots, Catch Zone™ traps and controls mice and insects and is compatible with attractants and pheromones.

934

Traps per case: 6 Rolls per box
Size: 60' x 12"

24GRB

GIANT RAT GLUE BOARD

A heavy-duty glue board with nearly a half-pound of catching power spread across 132 square inches! Perforated side tears off for placement against the wall to secure traps and prevent drag-offs. Use under pallets as a clean-out tool in warehouses.

24GRB

Traps per case: 24
Size: 18.5" x 10.5"

72XL EXTRA LONG

MOUSE & INSECT GLUE BOARD

The 72XL Glue Board is an extra-long trap to cover larger areas. Keep pests from infesting goods in warehouses, storage facilities, supermarkets and other sensitive areas. Surround pallets and shelving with 72XL Glue Boards to create protection zones. Keep pests from coming into an area by placing 72XL along the perimeter of a room.

72XL

Traps per case: 72
Size: 24 x 4"

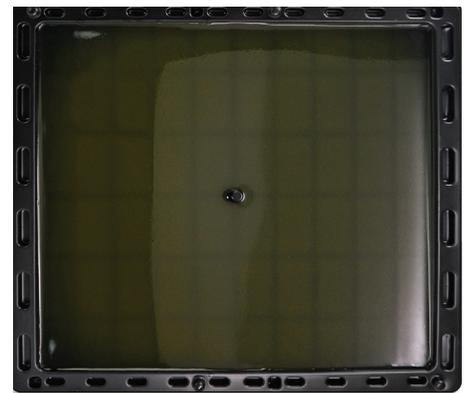

BG-1

BULK GLUE

For use in households, farms and non-food commercial accounts. Can be used to control nuisance flies and to monitor fly populations.

BG-1

Cans per case: 4- 1 Gallon Pail
Size: 6.5" x 7.5"

24XL JUMBO

XL RAT GLUE TRAY

24XL

Traps per case: 24 Trays
Size: 10.25" x 10.875"

48R SERIES

RAT GLUE TRAYS

Our 48R rat tray series is a result of years of research and development, as well as extensive input from our professional pest management partners. Use it with Hercules Putty™ (Page 11) to prevent dragging—even when a full-grown adult Norway Rat is intent on getting away! All 48R Series traps are effective for one full year when used under normal conditions.*

PLACE GLUE
TRAY HERE

* Extreme conditions include exposing traps to extended periods of temperatures that exceed 120°F, or exposure to excessively dusty areas. Under such conditions, the trap will work but may not maintain its effectiveness for long periods.

COLD TEMPERATURE

RODENT TRAP

The ONLY low-temp glue trap available. Unlike most glue traps, the specially-formulated adhesive used for this trap is effective in temperatures as low as 0° F. Great for use in unheated garages or basements during cold winter months and in commercial walk-in refrigerators where "regular" glue traps are ineffective.

48WRG

Traps per case: 24-2 Trays

Size: 7.13" x 5.06"

HERCULES PUTTY™

Highly recommended for holding rodent traps in place. It can also be used to place insect monitors in a vertical position on walls, under cabinets and countertops.

HP-115

Traps per case: 1 Roll

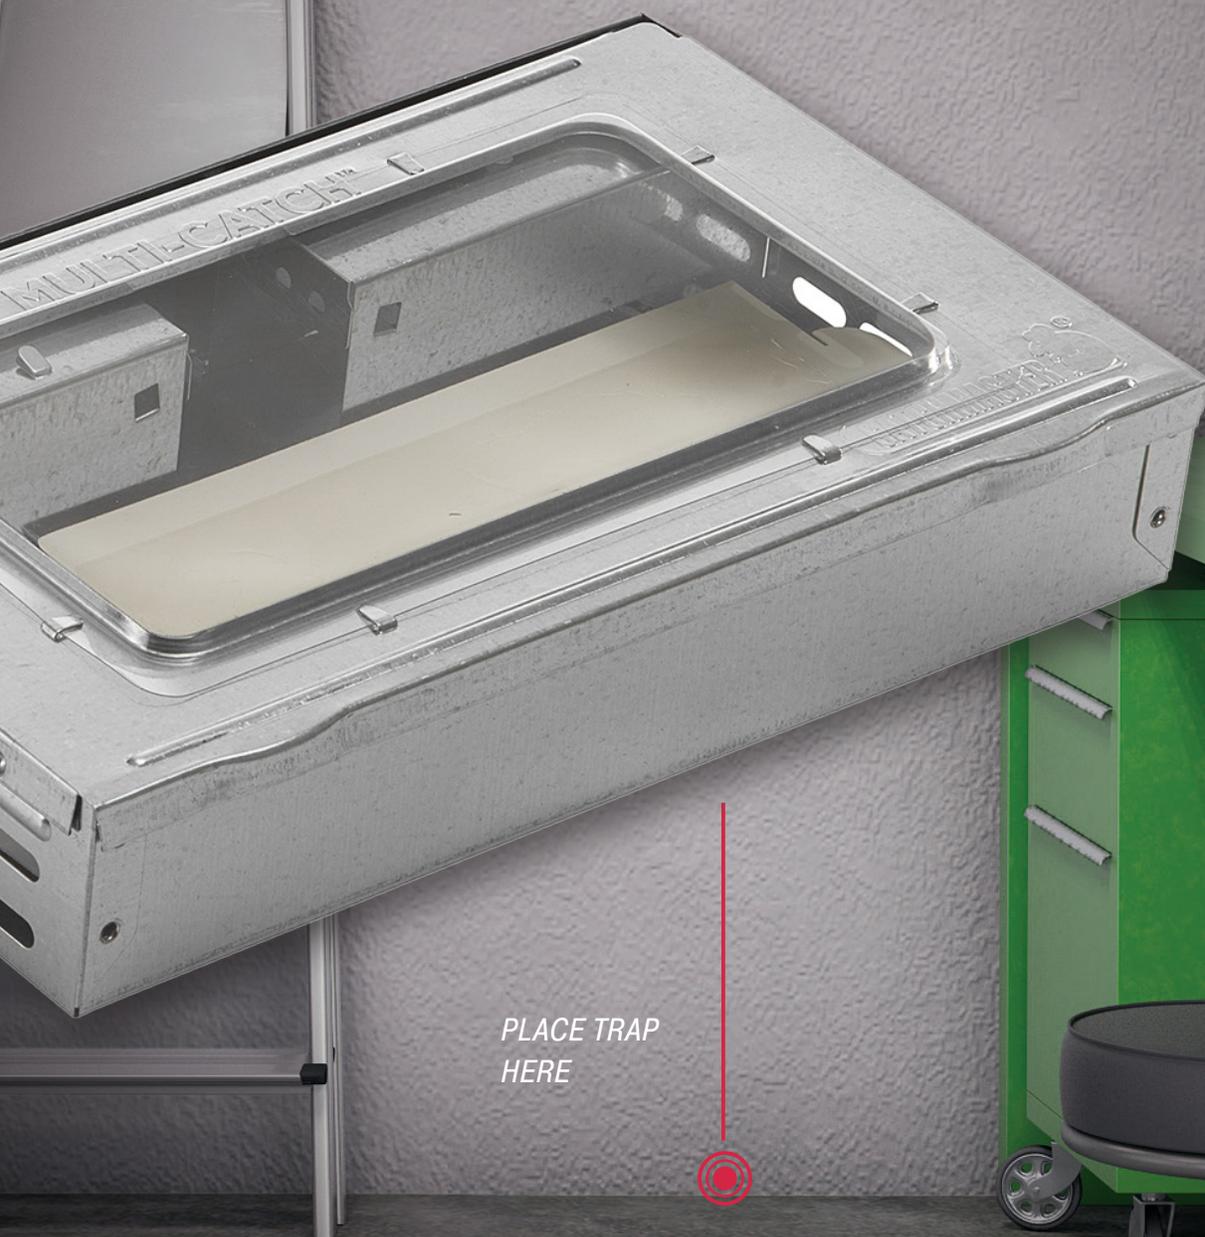

Size: 15'

612 MULTI-CATCH™

MOUSE TRAP

Economical and simple-to-use, Catchmaster® Multi-Catch™ features a smooth inner rim without any sharp edges, making it easy to replace glue boards and dispose them. Perfect for use in schools, medical facilities, or other sensitive accounts.

Service record labels included (1 per trap).

611 DUAL ACTION TWIN CATCH

MOUSE TRAP

Our Catchmaster® Dual Action Twin Catch trap features a raised roof to increase your trapping options. With extra clearance, the trap accommodates up to 2 of our 605P or 607P Quick Set snap traps. Our 72TC glue board can be folded into the trap to monitor for insects. The result is a multi-catch trap that helps prevent rodent contact with the glue board, ideal for sensitive accounts.

611

Traps per case: 12 Traps
Size: 10.25" x 6.5" x 2.5"

- Raised roof for increased trapping options
Compatible with 605P Quick Set Snap Traps, 72TC glue board and 607P The Predator™. Multi-catch™ trap that prevents rodent
- contact with glue board, ideal for sensitive accounts.
- Removable tunnels for easy cleaning
- Smooth inner rims for easy servicing
- Private label options available

605P & 621P

QUICK SET SNAP TRAPS

Gripping teeth for increased strength; fits low-profile bait stations; raised rim for improved holding power; easy access bait cup; heavy-duty construction; can use zip tie to secure trap to post, pipes (621P only).

605P - Mouse Trap

Traps per case: 24
Size: 2.125" x 4.25" x 2.125"

621P - Rat Trap

Traps per case: 12
Size: 3" x 5.5" x 2.75"

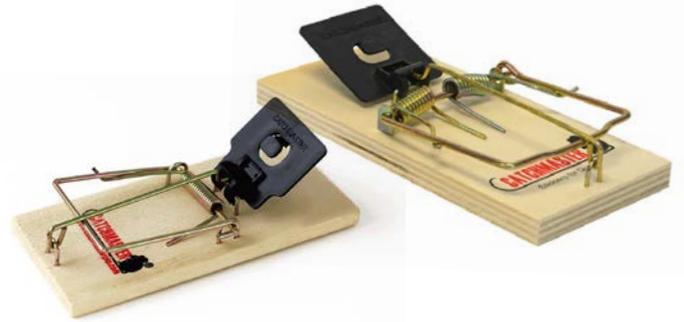

622P THE CLAW™

QUICK SET RAT SNAP TRAP

The Claw™ 622P Quick Set snap trap is both strong and durable. The traps have been specifically designed for rats and have multiple anchor points. Discover the strength and durability you need in a rat trap with The Claw™ 622P Quick Set snap traps.

622P

Traps per case: 12
Size: 3" X 5.5" X 3.75"

602PE & 610PE

CLASSIC SNAP TRAPS

Made from recycled plywood, the base is resistant to cracking and less prone to warping, even in wet conditions. Corrosion-resistant components ensure prolonged durability in the field. Double tension springs offer powerful, reliable triggering (610PE).

602PE - Mouse Trap

Traps per case: 72
Size: 3.94" x 1.75"

610PE - Rat Trap

Traps per case: 12
Size: 6.75" x 3.5"

607P THE PREDATOR™

MOUSE SNAP TRAPS

Our bar traps are the only bar mouse trap featuring a metal-on-metal trigger setup for increased durability. The trigger is designed for optimal sensitivity and is easy to set and service. This design allows for easy mouse removal without touching the rodent..

607P

Traps per case: 24
Size: 3.85" X 1.85" X 2.36"

CATCHMASTER 

FLYING INSECTS

979-P

YELLOW JACKET, WASP & HORNET BAG

Attracts and catches hundreds of yellow jackets, wasps, and hornets. Leak-proof, innovative locking cap eliminates spillage. Food-based attractant included - just add water and hang. Conveniently disposable.

938-P-2

Traps per case: 2 Traps
Size: 12.375" x 23.75" x 0.125"

TB TREE BANDING GLUE

Catchmaster® Tree Banding Glue is long-lasting adhesive compound that forms a barrier against climbing insects. Tree Banding Glue can be spread across banding material that is wrapped around vines and fruit or shade trees to prevent insects from migrating upwards. Can be used on non-porous surfaces where insects are likely to crawl.

TB-1

Cans per case: 4 - 1 Gallon Pail
Size: NET: 7.5 lbs

TB-5

Cans per case: 1 - 5 Gallon Pail
Size: NET: 30lbs

948 GIANT FLY GLUE TRAP

The Catchmaster® Giant Fly Glue Trap features our Fluorescent Chartreuse color, which attracts flies. Use in commercial food areas or animal health facilities where fly control is necessary for prevention of contamination of foods or where flies are a problem. Use with 950-10.

948

Traps per case: 48 Traps
Size: 24" x 12"

931 GIANT FLY TRAP GLUE TRAP

The Giant Fly Glue Strip Traps is a fly catcher designed for immediate use without additional bait. It boasts 3600 sq ft. of adhesive space and is ideal for hanging in high insect-activity locations. Effective Against:
Flies, Gnats, Mosquitoes

931

Traps per case: 12 Traps
Size: 14" x 11" x 4.5"

100FF FRUIT FLY GLUE BOARD

Safe for use in sensitive areas such as schools, hospitals, and even food service and food prep areas. Use flat or tunnel shaped in areas where fruit or drain flies have been observed. Fold trap into "U" shape and place over suspect drains to determine the source of an infestation.

100FF

Traps per case: 100 Boards
Size: 8.5" x 5.25"

975-8 DISPOSABLE FLY BAG TRAP

Leak-proof, innovative locking cap eliminates spillage. Simply add water and install in sunny locations; includes a food-base lure designed to attract most common fly species. Each bag catches up to 30,000 flies! Ideal for outdoor use in direct sunlight: near barns, dumpster areas, and other outdoor locations.

975-8

Traps per case: 8 Traps per Display Case
Size: 11" x 8"

912P & 962 GOLD STICK™

FLY TRAPS

Place traps on window sills or hang them in areas of high fly activity.
Can be used in USDA & FDA inspected facilities.

912P

Traps per case: 12 Traps
Size: 10.5" L

962

Traps per case: 24 Traps
Size: 24" L

Traps per case: 288 Traps per Case (864 Monitors)
Size: 9.875" x 7.5"

MOSQUITOES

OVI-PLANTER

MOSQUITO TRAP

The Ovi-Planter™ mosquito trap makes mosquito control attractive. It targets female mosquitoes, using their breeding habits against them. Capturing just one female mosquito can eliminate up to 1,000 future mosquitoes. Tests reveal, that eliminating 30% of female mosquitoes reduces populations by 80%. Ovi-Planter™ is backed by peer-reviewed science and fits a monthly service schedule. This year, make mosquito control attractive with Ovi-Planter™

OVI - PLANTER

Traps per case: 1 Trap and 1 Glue board
Size: 12.5" × 17.25"

OVI-1 OVI-CATCH™

MOSQUITO TRAP

ELIMINATION OF UP TO 1,000 FUTURE MOSQUITOES PER FEMALE CAUGHT
The Ovi-Catch™ is based on technology that was developed and tested at the Centers for Disease Control and Prevention Laboratory in Puerto Rico. Surveillance tool designed to catch female mosquitoes during the breeding cycle. Studies show that the AGO traps are effective in controlling mosquitoes, such as *Aedes aegypti* and *Aedes albopictus*, which are known carriers of chikungunya, dengue, and Zika viruses. Recent field results from the CDC indicate that removing 30% of egg-laying females can reduce populations by up to 80%.

OVI-1

Traps per case: 2 traps and 2 glue boards
Size: 12.5" × 17.25"

32AGO-P

MOSQUITO TRAP REPLACEMENT GLUE BOARDS

Maximized glue surface, Convenient release paper design and Moisture-resistant substrate

32AGO-P

VECTOR

Insect Light Traps

**The Light at the End
of Your Fly Problem**

VECTOR 15

Achieve efficient fly control in compact areas with the sleek and lightweight Vector 15. This discreet unit is easy to install and service, offering flexible placement options. Powered by 15 watts, it ensures effective fly attraction in smaller spaces. Includes one shatterproof bulb.

VECTOR15-SP

Measurements: 12.5" x 17.25"
Use with: 907 Glue Boards and 45185780 Bulbs
Warranty: 1 year

VECTOR 30

Enhance your fly control efforts with Vector 30, featuring a sleek design utilizing industrial grade aluminum. This lightweight and discreet unit is easy to install and service, delivering 30 watts for reliable performance in larger areas. Includes two shatterproof bulbs.

VECTOR30-SP

VECTOR30-SP - Silver | ●
VECTOR30-SP-BLK - Black | ●

Measurements: 8.625" x 25.5" x 4.75"
Use with: 907 Glue Boards and 45185780 Bulbs
Warranty: 1 year

Available in two colors!

VECTOR OPTIMA

Economical and easy to use, this Vector model offers a covered catch area for discreet control. Uses industrial grade aluminum, a 15-watt bulb, and comes with a one year warranty. Ideal for public areas like offices or lobbies. Includes one shatterproof bulb.

921

921-SP - White | ●
921-BLK-SP - Black | ●

Measurements: 9.25" x 21.875" x 6.25"
Use with: 907 Glue Boards and 45185780 Bulbs
Warranty: 1 year

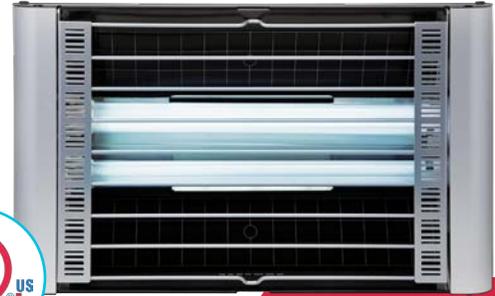

Our Most Preferred!

VECTOR PLASMA SCREENED

Achieve rapid fly control in production and storage areas of large commercial facilities and front of the house areas of restaurants and commercial kitchens with this fast-acting unit. The lift & service cover makes service and maintenance a snap. Screened cover for hidden glue boards. Includes two shatterproof bulbs.

45091613

Measurements: 12.5" x 20.5" x 4.625"
Use with: 907 Glue Boards and 45183814 Bulbs
Warranty: 3 years

Our Highest Catch Model!

VECTOR PLASMA GRILLED

Achieve rapid fly control in areas where discretion is not a factor. The grilled cover maximizes the light output. The lift & service cover makes service and maintenance a snap. Includes two shatterproof bulbs.

45091609

Measurements: 12.5" x 20.5" x 4.625"
Use with: 907 Glue Boards and 45183814 Bulbs
Warranty: 3 years

VECTOR PLASMA ONE

The smallest and most versatile Vector Plasma fly light can be mounted vertically or horizontally. Achieve maximum fly control with the narrow and sleek design. This unit's compact size delivers big fly attraction where wall space is limited, offering high quality and performance at a very competitive price. Includes one shatterproof bulb.

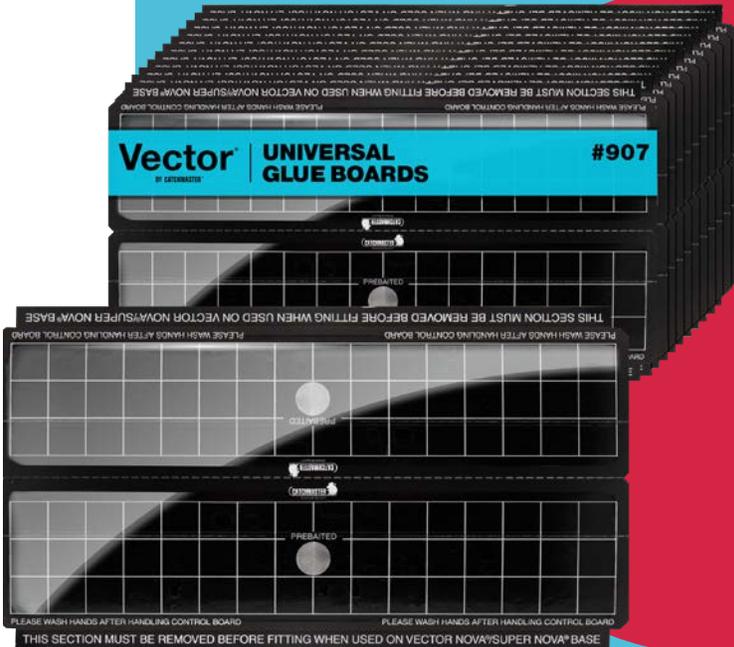

45091614

Measurements: 8.0" x 20.5" x 4.5"
Use with: 907 Glue Boards and 45183814 Bulbs
Warranty: 3 years
