

CATER GATOR

**5 Pan Capacity • Insulated
Front Loading Food Pan Carrier**

ACCESSORIES

DOLLY

#215PCD5BK

- Capable of holding and transporting up to 2 food pan carriers; 300 lb. capacity
- Durable plastic construction won't rust or corrode
- 4 swivel, non-marking casters (2 with brakes) won't damage floors
- 2 casters with brakes to secure unit in place while transporting
- Features a central hole to easily drain liquid or condensation from steam that may escape when the carrier door is opened
- Lip of dolly keeps pan carrier secure, but is low enough that you can open the door while on the dolly
- Rounded corners reduce impact damage to walls
- Inside Dimensions: 24¼"L x 17⅝"W
- Outside Dimensions: 26¾"L x 20⅜"W
- Height with Casters: 9⅝"

Blue Full Size ICE BOARD

#215PANICEBL

- Extends cold holding time beyond average 4 hours
- Freeze flat for up to 8 hours and then slide into your CaterGator food pan carrier (sold separately)
- Ensures cold foods are safely held below 41°F
- Great for catering businesses and cold holding applications
- Dimensions: 20¾"L x 12¾"W x 1½"H

147" ADJUSTABLE BLACK STRAP

#215PCSTRAP12

- 147" strap with buckle easily secures items during transport to dolly platforms
- Adjustable strap to fit a variety of large or small items
