## Prohibition-Era Style Barware

# Social Club

The speakeasy spirit roars to life with Social Club barware.

Flaunting flared edges and neat coupes, stemmed and stemless pieces, only Social Club offers vintage 20s-style barware refined enough for Jay Gatsby yet durable enough for his large parties.

Made 100% from Tritan, your benefits extend beyond durability to unrivaled clarity and scratch resistance.

New to the market are four pieces previously unavailable in Tritan food-safe plastic, which opens the door to more creative bar service: the Nick and Nora, the coupe cocktail, the stemless champagne and the 3.5 oz cocktail glass.

Showcase your colorful craft cocktails in shatterproof Social Club pieces and ignite a sense of refined mystery with a tantalizing flair for your guests.

Tritan copolyester, the upmarket plastic, offers elegant design, peak clarity and durability to protect you against the disaster of shattered glass on or near your bar, patio, pool or rooftop.

Tritan outlasts glass barware 4:1. Think of the money you'll save when you're not constantly replacing your glassware.

Even better, due to Social Clubs shatterproof durability, these experiences can happen in upscale outdoor settings like rooftop bars, poolside or beachfront cabanas, manicured patios, country clubs, cruises, garden parties and more.

# Classic & Modern Craft Cocktails

For master mixologists who never allow ordinary cocktails to cross their paths, Social Club barware offers the key to providing the experiential hospitality Millennials and Gen Z-ers demand.

This collection of vintage speakeasy shapes with excellent clarity provide the perfect canvas for Instagram-worthy classic and modern craft cocktails.

From your version of the Jack Rose to butterfly pea flower cocktails and vibrant orange-gold Aperol spritzes, your drinks will shimmer and shine like the stars they are.

# Four Designs New to Upmarket Plastic

Thanks to Social Club's four previously unavailable shapes with shatterproof durability, you can build exclusive upscale experiences for your guests that they can't get anywhere else.

Your competition won't know what hit them!
