

CROSSCADE™

Vertical panel with recycled rubber base.
Great for crosswalk signage.

36" Panel

24" Panel

- Impact resistant plastic and recycled rubber base
- Press fit base, push panel down into base, using foot ledge, for a tight fit
- White 12"W vertical panel comes in two heights - 24" H or 36"H
- 28 lb. and 43 lb. bases available
- Hole for attaching a barricade light (D Cell & 6 Volt) - ledge holds light upright
- Molded in handles, both panel and base - ergonomic, easy to use with gloves on
- Stacking lugs on panels - keeps stacked panels from sliding
- Purchase with or without fluorescent yellow crosswalk signs
- Signs are applied directly to panel face - no bolts needed
- Meets MUTCD Standards for pedestrian barricades

Signs are Diamond Grade fluorescent yellow/green.
High Intensity Prismatic white and red.
