

***Fresh Solutions, Fit for You***

 **FlexiWell**

Flexible multi-temperature wells  
for optimizing your operation and saving space.

# FlexiWell food wells

Future proof your operation with the ability to serve what you want, when you want. Even if your menu is set today, who knows what tomorrow will bring.

## **FLEXIBILITY**

Delfield FlexiWells offer you the flexibility to serve hot and or cold products, in any configuration, up to 6 wells. Why stop at 3 or 4 wells when you need more.

## **60+ YEARS OF EXPERT KNOWLEDGE**

Built upon 60+ years of refrigeration and hot holding expertise with the reliability and ease of use that you expect from Delfield.

## **2 YEAR PARTS & LABOR WARRANTY**

We stand behind our reliability with a 2-year parts & labor warranty and a 5 year compressor warranty.

## **INDIVIDUAL CONTROLS**

Easy to use intuitive controls - why make it harder than it has to be, we make on/off and switching between hot and cold easy

## **GREENGENIUS® REFRIGERATION**

Powered by GreenGenius, Delfield's most energy efficient, environmentally friendly hydrocarbon-based refrigeration system.

## **BUILT INTO YOUR SERVING SOLUTIONS**

Build into Shelley or EcoMark products for your perfect full-serving solution

## **HOT, COLD OR BOTH**

FlexiWells offer you the flexibility to serve hot/cold products with the touch of a button, in any configuration up to 6 wells.
