

Period products where they are needed most

Periods are just a natural part of life. It's time to provide a FREE accessible solution right next to the toilet paper.

Egal Pads on a Roll®

Individually wrapped, 4-6 hour pads; comfortable and effective. Installed in schools, airports, venues, and workplaces throughout the world.

Easy Refill in under 30 seconds

Economical Under 10% of the TP budget

Efficient 1/5 the space of boxed, vended pads

Read the Reviews:

Denver International Airport USA

"Pads on a Roll is such a great idea! Having them right in the stall is incredibly convenient, especially when traveling."

Allianz Twickenham Stadium UK

"What an AMAZING idea. Taking all of the stress out of periods. I have had to end too many days/nights due to my period."

Ohio State University USA

"They hold up well and aren't like the rough boxed ones that are handed out for free."

Albuquerque Biopark USA

"I absolutely LOVE this idea! I am glad that people are taking more notice to the inequality menstruating persons experience in their health care."

Egal.

PADS ON A ROLL

padsonaroll.com

Patented Innovative Design

Egal offers high-quality pads designed for comfort, reliability, and dignity. The standard roll holds 40 pads, while the plant-based roll holds 30 pads. Both significantly reduce packaging waste and no costly vending machine is needed! Thin, absorbent, and easy to refill, they dispense just like toilet paper.
