INNOVATIVE. DURABLE. TRUSTED.

Champion Tool Storage FM PRO Series for Sanitization was designed to handle all of your sanitization needs in an industrial and commercial setting both indoors and outdoors. These units are made to handle demanding environments and are built to last. With the Maintenance Cart base, traveling distances effortlessly, moving over uneven surfaces, 360 degree rotation in tight spots, entering and leaving elevators is made easy. Proudly made in the USA, the FM PRO Series is also built to withstand the harsh conditions of the job site and to protect and clean the tools you use every day. Our units are constructed with thick gauge welded steel housings, drawers, steel ball-bearing drawer slides and finish with a durable powder coat finish or stainless steel.
