GARDE

GREAT FOR BULK PREPARATION

This juicer has space for a cup or container up to 4" wide to collect juice and features a removable strainer and funnel to catch waste, so the only thing your customers will be enjoying is freshly squeezed juice!

FAST & EASY OPERATION

EASY TO MAINTAIN

For easy maintenance, the reamer and strainer come apart quickly from the base when it's time for cleaning.

WITHSTANDS RIGOROUS DAILY USE

SUCTION CUP FEET

For stability, four suction cup feet hold the juicer firmly to the counter while juicing.
