Pre-cutter for delivery

				Features		Q	REFERENCE COD.	$
ø4	10x4	SS	PH	1 "incision" blade, can be sharpened	0.42	1	AC-ROP7	65.60

How to use: the segmented blade means that the slice can be cut without completely separating it, meaning that the pizza stays completely compact during transport. Once at home, the customer can finish separating the slices by hand.
