

Glasswasher Machines

495NOWFCGV

495HTGW22

495NOWFDGX

BENEFITS OF Carousel Model

- Can wash a higher volume of glasses
- Does not need to be used with glass racks
- Creates less steam than other models, great for front-of-house use

BENEFITS OF High-Temperature Glasswasher

- Doesn't require chemical sanitizers, keeping beer and other beverages tasting fresh
- Features quick wash cycles
- Easily removes built-on grime like lipstick and grease
- Dries glasses faster than other models

BENEFITS OF Low-Temperature Glasswasher

- Little to no steam which is great for front-of-house, and lower up-front cost than comparable high-temp models.
