

Which do you choose?

EXTERIOR VANGUARD

Moonscape

- ▶ **Premium solution for year-round patios:** robust construction endures outdoor conditions
- ▶ **Easy assembly:** pre-installed rails, no drilling or extra inserts
- ▶ **Realistic wood and mineral décor requires minimal upkeep:** robust design resists degradation
- ▶ **Pair seamlessly:** offering smooth and level dining experience

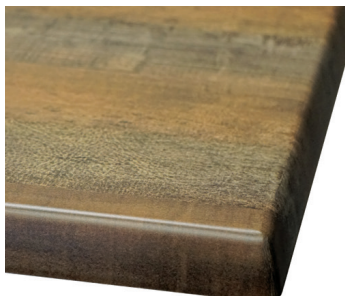

HPL (HIGH PRESSURE LAMINATE)

- ▶ **Ideal for humid areas:** dense composition resists moisture damage
- ▶ **Designed for durability:** resistant to scratches, stains, and impacts for long lasting performance
- ▶ **Exceptionally thin and compact profile** for easy storage; a perfect pairing with folding bases
- ▶ **Renews any setting** with realistic texture surface and modern design

Drifted Pine

MOLDED MELAMINE

Arizona

- ▶ **Best for high-traffic quickturn service:** table top is simple to wipe down
- ▶ **Replace less often:** non-porous surface prevents warping and damage
- ▶ **Easy to arrange and store:** more lightweight than solid wood or stone
- ▶ **Customize your space:** accomodates a wide range of bases and umbrellas, complements seating options
