

Hirsh[®]

Commercial Modular Desk

Versatile Office Solutions

The Hirsh modular desk line offers a professional solution for the changing needs of business, government and education offices. Arriving as fully assembled modular sections, full desks can be configured in various ways to match office space or to accommodate particular job needs. The desks combine heavy-duty steel construction and 1.125" laminate tops with the added comfort of radiused profile edgebanding, full height end panels and 3/4-length modesty panels for greater sense of privacy.

Multiple Configuration Options

Aside from their ergonomic design for enhanced productivity, Hirsh modular desks' greatest value is their ability to be configured in ways that adapt to most office settings and, for versatility and cost savings, reconfigured for new locations and purposes.

Attention to Detail

All drawers operate on precision ball bearing slides for full drawer extension. Core locks are replaceable to allow multiple units to be keyed the same. Desktop grommets allow easy and aesthetic placement of cords and wires. Drawers feature pencil trays and diviers.

Laminate Wood Surfaces

Select between mahogany and walnut laminate work surfaces, both offering rugged durability and resistance to scratches, stains and water damage.

Premium Construction

Hirsh's premium quality modular line offers an attractive, updated appearance complemented by long-lasting, high quality steel construction and a reinforced, double-frame inner structure. The legs are solid metal for true durability, and the handles are made from steel, with a satin nickel finish.

Solutions for Every Office

Modular Desks

Premium Hirsh modular desks deliver superior value through heavy-duty steel construction, durable components and their ability to be reconfigured to meet changing business needs.

Pedestal Desks

Another option in our desk line is the pedestal family of desks, which provides the same quality construction and value as the premium modular line, but featuring the classic pedestal look.

Credenza Cabinets

A perfect combination of secured and open storage, Hirsh credenzas offer a versatile storage solution for every individual work style. Seat cushions are available for Hirsh pedestal and credenza units, doubling their use as seating for impromptu meetings.
