## HOLLOWICK'S Commitment to Excellence

Hollowick offers superior performance tabletop lighting and food warming products that are built for the rigors of commercial/food service. We are committed to helping you create an ambiance and presentation that keeps your guests coming back again and again.

We take great pride in our innovations. Many of the most significant advancements in table lighting and cooking fuel products were born at Hollowick including: the refillable liquid candle systems, disposable liquid candles, highlight liquid candles, liquid tealight and votive candles and adjustable wick chafing fuel.

### **Providing World Class Customer Service**

The Hollowick customer service team is dedicated to providing the best possible service experience. When you call Hollowick, you will always reach a live friendly voice eager to help. In addition, we are fortunate to have the most experienced and professional sales representation in our industry.

We stock what we sell and typically ship 24-48 hours from receipt of an order from one of our authorized Hollowick distributors.

We are committed to providing you with the best service and professionalism in meeting your tabletop and banqueting needs.

### **Serving The Food Service Industry Since 1971**

At Hollowick, our commitment to providing the best products and service to the foodservice trade has remained steadfast since our founding. Hollowick has had the good fortune of employing some of the hardest working and most dedicated individuals in the industry. Our caring workforce has always been the cornerstones of our success and as we approach a half-century in business, we take this opportunity to honor and thank our whole team.

To all of our supporters over the years, we also thank you. We look forward to keeping your tables lit and your food warm for many years to come.

# HOLLOWICK® Lamp Sizes and Page Reference

# HOLLOWICK® Lamp Sizes and Page Reference

---

## Hollowick Lamp Finishes

---

### Lustre Finish

Brilliance with a splash of iridescent color.

### Satin Finish

A translucent surface that emits a warm soft glow. Available in many colors

### Jewel Finish

A dazzling display achieved by applying an ice finish on the inside of the lamp.

### Ice Finish

A sparkling durable finish created by fusing bits of glass to the lamp surface. Resists fingerprints

### Ruby Gold

A celestial haze of ruby washed over an inner sheen of metallic gold in a classic curve of light

### Satin Linen Finish

Provides a warm subtle glow. This innovative technique won't stain like other satin and etched finishes.

### Antique Gold

The dramatic textural Antique Gold decorated finish is warm and inviting. Each hand-applied finish will have a unique textured look.

### Antique Black

The ethereal Antique Black finish is dark and mysterious, yet elegant. Each hand-applied finish will have a unique texture.

### Marbled

The bold Marble finish is applied using a special decorating process resulting in a vibrant contrasting pattern. Each Marble votive is unique.

### Midnight Amber

A satiny dark chocolate ocean accepts a soothing sunset of candlelight. Day or night, the Midnight Amber treatment brings calmness and warmth.

### Amber Art Finish

Each Amber Art treatment has a unique flow of colors, clouds and light. Like each sunrise, every lamp is a distinct masterpiece that brings beauty and tranquility.

---

## Use & Care of Hollowick Lamps

---

### Globes

Keep Hollowick globes sparkling clean by regularly handwashing them with warm water and mild detergent.

**Note:** Commercial dishwashing detergents may spot or dull fired-on colors.

### Bases/Lamps

Hollowick lamp bases are coated with finishes that protect and enhance the beauty of the lamps. Metal and wood bases should be cleaned with a spray furniture wax. This leaves a protective shine and allows for easy cleaning in the future. Resin and glass bases should be cleaned with a damp cloth and mild detergent.

### Breakage Due To Thermal Shock

Breakage and cracking are commonly experienced when traditional wax tealights and votives are used in glass table lamps; especially with thicker glass lamps and globes.

For this reason, **Hollowick Lamps are not recommended for use with wax tealights and votives.** The use of the proper Hollowick Liquid Candle will resolve this issue.

**Note: Do NOT put any Hollowick lamp, base or globe in a dishwasher.**

## Important Information on Using Chafing Fuels

The proper placement of any fuel source is critically important to get maximum heat performance. A wide variation in distance from the fuel retainers to the bottom of the water pan exists in various models of chafing dishes. We have seen variations as much as 7 inches. Since Easy Heat cans do not get hot, placing them directly on the table is not a problem.

### Without Fuel Can Holder

Placement of the Fuel can under the chafer is critically important to get the maximum heat value from the product.

### With Fuel Can Holder

Hint: The length of a typical house key

# Gel Heat™ Chafing Fuel

## Gel Heat Green

Ethanol Chafing Fuel

- > Eco-friendly, renewable resource
- > Certified by GRA

9,000 BTU Portable Stove  
\$30.20 each

---

## Butane Stove Cover

---

Dress up your buffet service stations with this attractive, safe, and functional butane stove cover.

- › Sturdy, polished stainless steel
- › Commercial grade construction
- › Removable grate for easy cleaning
- › Safe, no-slip rubber feet
- › Well-vented and safe for indoor commercial foodservice use
- › Protects guests from heating element

in: 7.2 h x 12 w x 14.25 L  
mm: 183 h x 305 w x 362 L  
wt: 11.7 lbs.

**CM-CVR**  
Butane Stove Cover  
\$125.00 each

Compatible with all Hollowick Butane Stoves: CMST-9K, CMST-10K, CMST-15K. Stoves and butane fuel sold separately.

# Nexis® Rechargeable LED Candle Series\*

The most advanced LED commercial candle system available

## Nexis® LED Candles

- › Nexis easy-to-grab, realistic flexible flame tip design
- › Auto-On
- › IP44 certified water resistant
- › Bevel top provides greater illumination
- › Realistic flicker and authentic candlelight LED color
- › Tealight size fits in any Hollowick lamp

## Nexis® Charging Tray

- › **26-hour** average run on **8-hour** charge cycle
- › Patented wireless charging technology
- › Holds up to 40 candles—saves on counter space
- › Magnetic candles and remote secure to tray
- › Enhanced battery protection built into tray, power supply and candles

Swipe candles over the Nexis® to change modes without the remote

- › On/Off (Storage Mode)
- › Flicker/Flicker-High Light

Candles glow **red** when charging, **green** when fully charged

**Quick-Click** connect magnetic cord and power supply

Ergonomic tray handle for one-hand-free table bussing

The Nexis system requires minimal storage space

# Nexis® Rechargeable LED Candle Series\*

**Nexis® Magnetic Remote Control**  
Magnetic remote adheres to most metal surfaces and secures to top of Nexis tray. Lithium metal battery included.

**State-of-the-art Li-ion candle battery**  
> UL Certified  
> Safe to ship via air

# Platinum+ Rechargeable LED Candle Series\*

The Platinum+ Rechargeable LED Candle Series, by Hollowick, is designed to withstand the rigors of foodservice use. Available in Amber and Candlelight, Platinum+ is a reliable choice for restaurant flameless table lighting.

- › Easy-off charging pins
- › Natural flicker
- › Improved battery protection
- › Candlelight color matches live flame

Platinum+ series charging trays are designed to be wall-mounted, preserving valuable counter space. Up to four trays may be linked, allowing up to 48 candles to be charged per power supply.

### Two LED Color Choices

Amber

Candlelight

Platinum+ Rechargeable LED Candles will fit most Hollowick lamps and holders

1

### One year limited warranty

#### Nickel Metal Hydride (NiMH) Batteries–

A 10-hour charge produces up to 18 hours of run time. The small red & green charging lights on the tray indicate charging status for each candle: **Green** indicates fully charged; **Red** indicates charging.

#### No Overcharging or Battery Safety Worries–

Platinum+ is designed to charge each candle only as needed and to adequately keep each candle unit fresh and ready for use. Battery safeguards are built into charging trays and candles.

# V12™ Rechargeable LED Candle Series\*

The V12 series leads the commercial value category of Nickel Metal Hydride (NiMh) battery rechargeable systems. Designed specifically to perform in demanding foodservice operations, the V12 system is available in a naturally flickering Amber LED color and offers a convenient USB charging connection.

- Easy to use push-button on/off candle bottom switch
- A 10-hour charge produces up to 14 hours of run time
- Convenient USB-connection power supply included. For best results use USB connectors with 1 amp per plug output.

**V12 Rechargeable LED Candles** will fit most Hollowick lamps and holders

**90-Day limited warranty**

## Buying Data Guide

### ORDERING INFORMATION

Lamp bases and globes are listed and priced separately and sold by the each. Please order by item number and description.

### DIMENSIONS

**Height:** The height listed (shown in inches and millimeters) for a globe is the exposed visible height with the exception of the Cylinder globes. Add the listed globe height to the listed base height to determine total height of the complete lamp.

**Diameter:** Largest outside diameter.

### WEIGHT

All weights are approximate shipping weights per piece.

Satin Brass

Globe:	<b>46AL</b>	\$20.80 each
Base:	<b>502</b>	\$31.90 each
<b>Total</b>		<b>\$52.70</b>

Base	Globe
in: 2.0 h x 3.63 dia	in: 3.13 h x 4.0 dia
mm: 51 h x 92 dia	mm: 80 h x 102 dia
wt: 0.8 lbs.	wt: 0.4 lbs.

### LIQUID CANDLES

The height listed for Liquid Candles includes the burner assembly.

### LIQUID CANDLE OPTIONS

The recommended Liquid Candle for a lamp is shown on the lamp page.

**Recommended Liquid Candle: HD36**  
Liquid Candle Ordering Info pg 6

# Terms of Sale

## PRICES

Prices shown are list prices, in US dollars. All prices are subject to change without notice. Orders will be accepted from Authorized Dealers only with the understanding that prices will be those in effect at time of shipment. These prices are exclusive of all sales taxes or any special taxes which may be levied by Federal, State or City Governments.

## MINIMUM ORDER

Our minimum order is \$50.00 total list price to a single destination. Orders for less than \$50.00 total list are subject to a \$7.00 net handling charge which will be added to the invoice.

## LAMP SAMPLES

We are happy to provide lamp samples to our Authorized Dealers. Samples are not subject to our minimum order requirement. We charge for samples, but you may return them for credit. (Freight prepaid, in like-new condition.)

## TERMS

Net 30 days, based on the date of the invoice, not receipt of merchandise. All orders are subject to acceptance by Hollowick, Inc., Manlius, NY, in accordance with our "Terms of Sale," regardless of any form in which a purchase order is submitted.

1.5% per month FINANCE CHARGE will be levied on all accounts whose unpaid invoices are over 30 days - not to exceed the lawful limit.

## RETURNS

NO MERCHANDISE TO BE RETURNED WITHOUT PRIOR WRITTEN AUTHORIZATION. Returns will be allowed for up to 30 days after receipt of the merchandise. If authorized, shipments must be returned within 30 days of authorization date, freight prepaid, and will be subject to handling charges of \$25.00 net or 25%, whichever is greater.

## DAMAGES AND SHORTAGES

- A. If shipment is sent by U.P.S., notify U.P.S. IMMEDIATELY.
- B. If shipment is sent by common carrier, the carrier is legally responsible for damage or loss of merchandise during shipment. Contact carrier IMMEDIATELY.

Our terms are F.O.B. origin. Full title and ownership of merchandise passes to purchaser/ consignee when shipment is rendered to carrier. Our liability ceases after we have the carrier's receipt. It is the responsibility of the owner of the merchandise to file any and all claims with the carrier for loss and damages. We will not accept any deductions from invoice for loss or damages.

## FAIR LABOR STANDARDS ACT

Seller certifies that goods and services covered by this commercial price list are produced and furnished in compliance with the requirements of the Fair Labor Standards Act.

## GOVERNING LAW; VENUE

These terms shall be construed in accordance with and governed by the laws of the State of New York. Any litigation that arises in connection with any goods covered by this price list shall be venued in a court of competent subject matter jurisdiction located in Onondaga County, New York.

## MODIFICATIONS

These terms shall not be modified except by a writing executed by Hollowick, Inc.

## DOT (DEPARTMENT OF TRANSPORTATION) REGULATIONS:

Hollowick® Liquid Candles and Liquid Wax, Liquid Wick Chafing Fuels, and TIKI® Brand BiteFighter® Torch Fuel, are Nonhazardous by the DOT. Blue, Green, and Pink Gel Heat™ Chafing Fuels are DOT classified as "ORM-D." Hollowick® Butane Fuel is DOT classified as a Hazardous Material (HAZMAT). With a proper shipping name of Liquefied Petroleum Gas, Hazard Class 2.1 Blue, Green, and Pink Gel Heat™ and TIKI® Citronella Torch Fuel CAN NOT ship Air.

**DISCONTINUED ITEMS:** The items listed below are discontinued from our last catalog. They may be available in limited quantities. Please contact Hollowick for more information.
