

## LABELING SOLUTIONS

# Iconex Sticky Media™ Weigh Scale

## Drive efficient and sustainable labeling of prepared and made-to-order foods

Iconex Sticky Media Weigh Scale thermal linerless labels accelerate and optimize product prep and seal processes by utilizing print-to-size labels that eliminate excess material and liner waste.

### Benefits

- Variable print length lowers overall label consumption
- 40% more labels on every roll
- Simplifies inventory demand for multiple label sizes
- Cold case and freezer friendly
- Reduces freight costs by up to 50%
- Sustainable and environmentally friendly

Quickly process and complete transactions with an eco-friendly solution that boosts operational efficiency and sustainably lowers carbon footprint and environmental waste.

### Premium print quality and durability

- Optimized for data clarity and barcode resolution

### High performance, freezer grade permanent adhesion

- Staying power from store to door

### Seamlessly print and apply

- Innovative adhesive and dry edges enhance clean cut, feed, and jam-free dispensing

Part #	Size (W x L)	Product	Labels/Roll	Rolls/Case
9023-3544	2.28" x 213'	Blank Linerless	Continuous	36
