

INTERLAKE MECALUX BULK RACK STORAGE ZS BEAMS

The Interlake Mecalux **bulk rack storage ZS beams** have an upper lip that runs vertically with the beam. These beams are designed for storage areas in which goods are handled manually instead of being transported on a pallet.

ZS – Bulk Rack Beam

- Three-tab beam connector allowing secure connection to the upright frame.
- Orange beams manufactured with 14 GA steel.
- Safety pin to prevent accidental disengagement.

ZS Beam for Particle Board or Steel Decking

This profile allows metal shelves or particle boards to sit on top of the beam.
