

LAVEX™ Urinal Screen

The Lavex urinal screen not only reduces splash but is also packed with fragrance leaving restrooms smelling clean for a full 30 days.

Freshens for 30 days

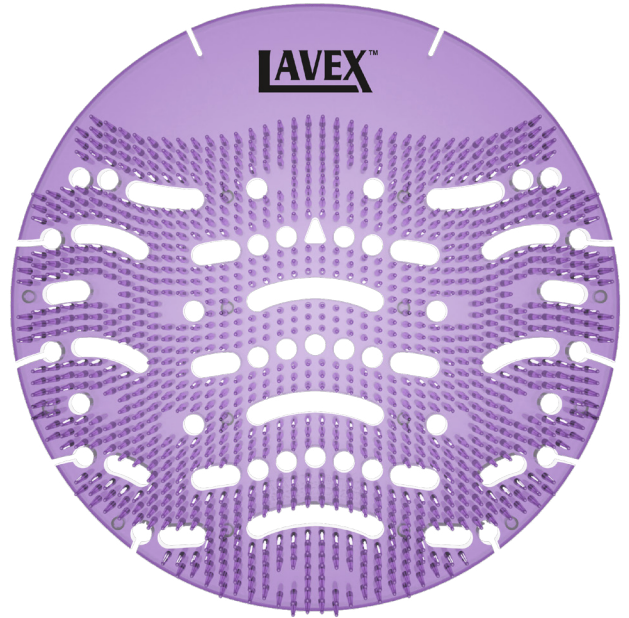

Releases billions of optimized bacteria that consume odors at the source and keeps drains clean and smelling fresh.

Simple solution

Place the Lavex urinal screen over the drain in the urinal, protrusion side up, and you're done.

Patented performance

The patented fragrance load provides consistent 30-day fragrance release with 3x the fragrance of competitors.
