# 8 1/4 INCH CAST IRON FLAT GRILL PRESS

For that serious sear only cast iron can deliver, Lodge introduces our hottest home-grown concept. Just like our celebrated Panini Press, but without the ribs, this one-piece cast iron press offers maximum contact between cooking surface and food. Beautiful bacon, golden grilled sandwiches, and savory filets are all prepared in short order with its superior heat retention.

- 8 1/4 inch width fits all Lodge square grill pans and skillets, and round pans 12 inches and up
- Cast iron holds heat longer and reduces cooking time
- Made in the USA
- Easy-release oil finish improves with use
- Compatible on all heat sources except microwaves
- Ships in a tray pack of 3
