

LOTUS[®]

PLANT ENERGY DRINK

Lotus transcends energy, in the first revitalizing plant-power drink.

Lotus Plant “Power Drink” reconnects us with nature to support the interconnection of mind, body, and spirit health.

At Lotus, we look at health through a holistic lens, which simply means “as a whole”, not only addressing the symptoms of low energy, mental clarity and fatigue but also nourishing the root cause at the foundation of our health. Lotus was formulated with a unique proprietary

plant-based formula, **Plant Power Seven (PP7)**, featuring seven of Earth’s power plants to help promote life force energy, mental focus, stress relief, support gut health and immune defense. Lotus delivers on taste, refreshment, and efficacy in the first revitalizing plant power drink to support a healthy lifestyle.
