

SUPER ERECTA® METROSEAL GRAY

A totally neutral storage solution.

Neutral aesthetic for the lab environment, now with corrosion and antimicrobial protection.

Metro Super Erecta® Shelving with NEW gray Metroseal® epoxy coating is the perfect balance of aesthetics, protection and value. When budgets require a wire solution, Metroseal gray shelving provides advantages over conventional wire shelving: a warm gray look that blends with most environments, superior rust protection than chrome wire shelving, and built-in Microban antimicrobial product protection. Metroseal offers a cleaner, safer storage solution and has a 12-year corrosion resistance warranty.

Gray Metroseal Epoxy Coating with Microban.

Zinc chromate plated steel

Added layer of protection.

Supplement your cleaning process and stop bacteria in its tracks with Built-in Microban® antimicrobial product protection.*

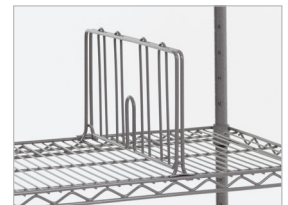

Clean, safe & attractive.

Versatile and Efficient

- Corrosion resistant Metroseal gray finish for general lab storage, environmental chambers and maintenance areas
- Stationary, mobile and wall mount options
- Accessories to improve space optimization and efficiency

Always a perfect fit.

Multiple sizes for your many needs.
