

# Versatility that delivers.

## Redefining the standard of linen distribution.

MetroTrux™\* contemporary aesthetic provides elegance to fit into any decor. Units are constructed of advanced polymer material with molded contours that provide a rugged body to endure the toughest daily use.

- **Patented design with ergonomic features built-in**
- **Clean, lightweight polymer construction with Rounded corners for easy cleaning**
- **Corrosion-proof components to withstand frequent cleanings**
- **Multiple configurations are available to accommodate bulk or hard-to-handle items**

\*See [www.metro.com/innovation](http://www.metro.com/innovation) for patent information.

# Clean, crisp design with the versatility to deliver.

## Convertible Truck

Full open-front with slanted stainless steel shelves can be positioned either horizontal or vertical to create three different truck configurations.

- Better accessibility for folded linens
- Create lower bulk and upper shelf storage
- Easier unloading of bulk linens

## Designed for the way you work.

- Easier to handle with an ergonomic full-height handle.
- Keep your hands inboard to prevent injury.
- Handle position allows you to see around the truck during transport.
- Curved outward to provide more leg clearance while pushing.

## Bulk Truck

MetroTrux is the perfect solution for bulky hard to handle items. Transport soiled/clean laundry within a facility or off-site location or collect refuse/recyclables.

## Identifiable.

Unique routing slip clip is standard on both ends of the cart.

## Quiet & Maneuverable.

Lightweight polymer construction with smooth rolling, sound-dampening casters, make for quiet maneuvering.
