

MILAN COLLECTION

EUROPEAN DESIGNED LINENS SO SOFT AND ABSORBENT
YOU WON'T BELIEVE IT'S NOT COTTON

Futura polyester is a hybrid of ring spun double-twisted micro staple fiber yarn and murata jet spun polyester fibers woven together to achieve the softest polyester linen on the market. Designs once only available in cotton or cotton blends, the Milan Collection achieves the look and feel of cotton while retaining the longevity and performance of polyester.

We stand behind our Milan product line with a new 1-year limited warranty. The warranty applies to the original purchaser of the Milan Product line and protects against the Milan Fabric from becoming unserviceable due to manufacturing defects or significant fading, peeling and/or shrinkage from normal usage and adherence to laundering requirements. This warranty covers the Milan product line only. This warranty does not cover damage from misuse or abuse, improper laundering, or costs associated with replacement of the product. Snap Drape's liability is expressly limited to this warranty. Snap Drape reserves the right to inspect the product submitted for claims. The invoice with the lot number is required to submit a claim. Snap Drape will supply new equivalent product to replace the product that has become unserviceable as defined by the warranty.
