

6 GENERATIONS / 130+ YEARS

A century-long legacy of family-owned expertise and domestic production.

85% BUTTERFAT

Churned to a higher fat content for a richer texture, deeper flavor, and superior culinary performance.

PASTURE-RAISED COWS

Sourced from pasture-raised cows to ensure elevated milk quality and humane treatment of every cow.

AMERICA'S OLDEST FAMILY-OWNED CREAMERY

SINCE 1894, Minerva Dairy has upheld a legacy of craftsmanship passed down through six generations of family ownership. Rooted in time-honored methods and uncompromising quality, every batch of butter is produced in the USA using milk from pasture-raised cows. With an exceptionally rich 85% butterfat, Minerva Dairy delivers a smooth, elevated experience that reflects over 130 years of dedication to excellence.
