

Maintenance Made Effortless

Maintenance shouldn't be complicated. NEO simplifies upkeep with easy-to-access components and the protection of built in water filtration — so maintenance stays fast, simple, and reliable.

Removable Bin

Provides fast, front access to key components for easy cleaning.

Front-Facing Air Filter

Enables easy access for filter cleaning.

Onboard Water Filtration

Reduces scale,* dirt, and particulates to minimize maintenance and support long-term, reliable performance with great-tasting ice.
