Grande Cartridge
30/60/90 Days

Regular Cartridge
30 Days

Oxygen-Supreme[®]
POWERED

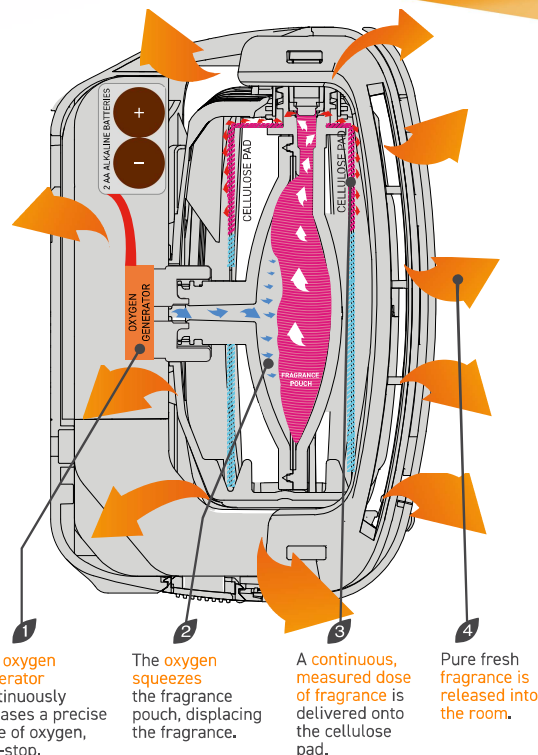

oxy-gen[®] POWERED

Freshness, All the Time!

Oxy-Gen Powered is the **only technology** that **guarantees** the delivery of fragrance in the air **continuously, consistently and accurately** for the entire duration of the chosen cartridge cycle of 30,60 or 90 days.

This patented technology is based on a proven fuel cell technology that is used in the pharmaceutical industry where precise doses are essential to treat human beings and animals. It is **not an aerosol system** and **does not have a fan or heater**.

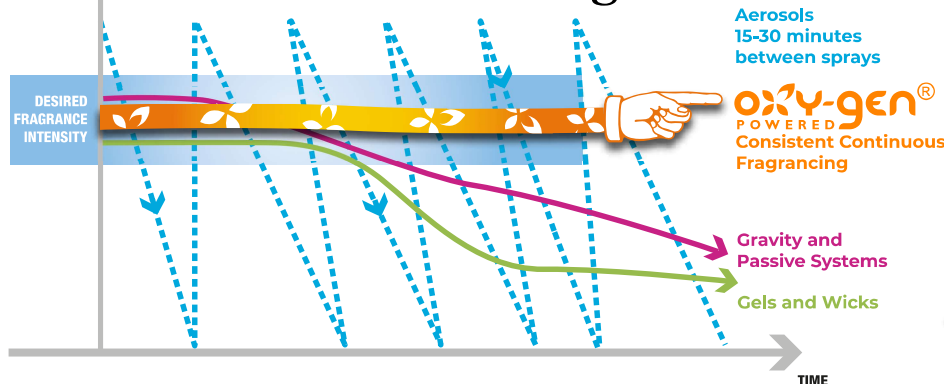

Oxy-Gen Powered technology is **simple, reliable and cost-effective**.

bloom

An exotic floral scent of night flowering jasmine, orange blossom and gardenia.

crush

An exotic mix of pineapple, tropical fruits and coconut.

glow

Juicy black cherries, with a hint of almond, plum, vanilla and cinnamon spice.

spa

A fresh, invigorating scent with fragrant lavender and spicy herbs.

tang

An intensely fruity perfume with hints of orange supported by warm spices.

adore

A sophisticated fragrance that combines fresh apple notes with amber and spices.

All new elegant and integrated design

Oxygen-Supreme's new stylish design is perfect for each facility. Available in a range of colors and striking finishes with new two tone possibilities, the Oxygen-Supreme System will elevate the image of your washrooms, offices, reception areas, conference rooms and more.

Boosted Airflow to deliver more fragrance

User friendly access for cartridge installation and replacement with an option of push button or key lock.

LED light indicators provide cartridge and battery replacement reminders

Dispenser working well

Replace Batteries

2AA Alkaline batteries last for one year

Eco-friendly & Safe

With no added VOCs, solvents, alcohols, propellants or CFCs, the Oxygen-Supreme cartridges contain **100% pure fragrance oil** and are a safe choice for any facility. Since the cartridges are not pressurized containers, they are **safe to transport and store**.

Cartridges are compliant with:

Non-Fragrant Odor Control Cartridges

For facilities that desire specific malodor eliminators without any fragrance or a very low fragrance, a choice of two new cartridges are available.

neutra-lox super
odor eliminator

With a hint of lemongrass fragrance, this is the ideal choice for areas where high odor elimination is required with Very Low fragrance, just as an indicator.

charm

A fantasy melon fragrance modified with cool green notes, a hint of citrus and a slightly floral background.

spring

Intense floral notes of ylang, lavender and geranium with hints of fresh cologne and lemon.

zing

A freshly sliced, mouthwatering mandarin fragrance sweetened by lush, juicy orange.

flair

A pure, clean fragrance of delicate florals and watery notes.

klee'r natural
odor eliminator

With no added fragrance oils and a 100% natural plant oil base as the active ingredient to neutralize a broad spectrum of odors. Klee'r Natural is the ideal choice for areas where No Fragrance is desired.

Effective Fragrancing and Odor Control

All Oxygen-Supreme cartridges contain Neutra-lox, our proprietary malodor eliminator which, unlike other systems that only mask odors, eliminates the odor causing molecules, leaving only fresh fragrance in the air. **It is extremely effective against the smell of urine, feces, body odor, tobacco, pet malodor, kitchen odor, mold, mildew, etc.**

All cartridges contain **neutra-lox** malodor eliminator

Multiple Color Options

The design offers quick turn around customization for an exclusive dispenser design for your own brand.

Oxygen-Supreme Coverage

The new boosted airflow design ensures that each dispenser easily covers upto 6,000 cu.ft or 170 cu.mtrs.
