

PEST-PRO 150 SILENT FLYING INSECT TRAPS

The Pest-Pro 150 from Curtron Products is a silent flying insect light trap gone incognito as a stylish wall sconce. Flying insects are attracted to the ultraviolet light and then trapped on the replaceable glue board inside. The Pest-Pro 150 has an easy flip open lid for quick servicing. For the best results, these attractive light traps should be positioned 5 to 6 feet above the floor.
