

# PIZZA OVEN AND WARMER

## PIZZA EQUIPMENT

Round out your concession food offerings with Cretors Pizza Oven and Pizza Warmer. Constructed of stainless steel inside and out, our cabinets and ovens are designed for years of durability and easy maintenance. A unique design includes two round heating elements in the oven that ensure our pies are evenly heated. No more uneven cooking of cheese and toppings. The digital display and timer let you set exact cooking temperature settings. A convenient food-grade cutting board is designed to lift off top of oven for easy cleaning.

### Pizza Warmer

- Keeps four 14" pizzas fresh for up to three hours
- Rotating rack stops when door is opened for serving ease
- Keeps cooked pizza warmed up to 2-3 hours
- Easy access humidity tray with re-fill indicator light
- Digital humidity and temperature control
- Custom sign holder
- Internal LED lights merchandise product inside cabinet
- Choose between pizza rack or adjustable shelves for food storage
- Stack the Pizza Warmer on the Pizza Oven to create a Pizza Oven and Warmer combination
- Warmer temperature ranges between 135 and 170 degrees

### Pizza Peel

- Included with pizza oven

Pizza Oven Coils

### Pizza Oven

- Circular coils ensure uniform cooking of pizza
- Removable food-grade cutting board included on top of oven
- Stack multiple units to increase output
- Oven temperature ranges between 375 and 475 degrees
