Kuvings®

Commercial Auto Blender

CHEF CB1000

Commercial

CHEF CB1000

With just the push of a button, the CB1000 automatically open and closes the enclosure, vacuum seals the container, and blends to perfection all the while minimizing the noise level.

5 pre-set buttons

37 recipes are stored and programmable using the 5 pre-set buttons.

Asymmetrical container base

Every unique angle of the container enables smooth and perfect blending.

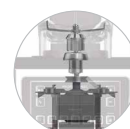

Quiet, high-performance blender

Designed to minimize noise and vibration while achieving an ultra-fast blend.

Automatic cover

Automatic cover opens/closes with the push of a button for a convenient and time-saving process. Soundproof enclosure creates a minimum-noise environment.

Durable commercial motor and blade

The durable motor and optimized blade structure can perform for long periods of time, blending ingredients to perfection.

Quick Start function

Main menu is preset on number 1 button to optimize the operating convenience.
